REGULATION

OF

82-8

NAME OF AGENCY

DEPARTMENT OF ENVIRONMENTAL PROTECTION

Concerning

SUBJECT MATTER OF REGULATION

ABATEMENT OF AIR POLLUTION

SECTION 19-508-5

Section 19-508-5 of the Regulations of Connecticut State Agencies is amended by the addition of subsection (f) as follows:

(NEW) 19-508-5(f) FEES FOR VISUAL TESTS

(f)(1) The owner or operator of a stationary source who is required to conduct an emission test under either subdivision (e)(1) or (e)(2) may be required to conduct a visual test through the use of a dust compound in lieu of the emission testing otherwise required. Such testing shall be conducted annually or at an interval determined by the Commissioner and in a manner satisfactory to him.

(f)(2) The owner or operator of a stationary source who, under the provisions of subdivision (f)(1), is required to conduct a visual test shall pay a fee of three hundred and seventy-five dollars ($375.00).

(f)(3) The Commissioner may increase the fee specified in subdivision (f)(2) to a maximum fee of four hundred and thirty dollars ($430.00) if the test conditions under subdivision (f)(1) are deemed hazardous as determined by valid Connecticut State Employee Collective Bargaining Agreements.

(f)(4) The Commissioner may reduce either the fee specified in subdivision (f)(2) to no less than two hundred and sixty-five dollars ($265.00) or the fee specified in subdivision (f)(3) to no less than two hundred and ninety dollars ($290.00) if the test conditions under subdivision (f)(1) require that the Department use one staff person to monitor the visual test under this subsection.

(f)(5) The owner or operator of a stationary source who is required to pay a fee under this subsection shall submit such fee to the Department accompanied by forms furnished by the Commissioner.

Statement of Purpose: To amend the regulations concerning source emission testing used to determine compliance with Clean Air Act requirements to allow for the use of a less expensive stack sampling procedure for certain categories of Industry and to initiate a fee schedule for this purpose pursuant to Public Act 81-385. Fees collected are intended to cover the operating costs of the program.
