**Check all that apply:**

**Business Entity Database - \$3,000** (\*Annual subscription fee)

This data set consists of all business entities on record (active and inactive). An entity listed in this data set may not be up-to-date in its filing obligations and listing in this data set does not guarantee that a certificate of legal existence would issue with respect to any entity. Due to size, this data set will only be transferred by file transfer protocol (FTP).

**UCC Data - \$5,000** (\*Annual subscription fee)

This data set contains the entire UCC database (all record types related to UCC information). Due to size, this data set will only be transferred by file transfer protocol (FTP).

**UCC Images - \$1,000** (\*Annual subscription fee)

Portable Digital Files (PDF) of each UCC volume created and finished during the preceding month. Due to size, these files must be transmitted by compact disk (CD) and mailed to the address provided.

**Business Starts - \$1,000** (\*Annual subscription fee) / **\$300** (Quarterly Subscription Fee)

This data set consists of all business entities formed in the preceding month. Data is provided in xlsx (Microsoft Excel) format and will not be provided in another file format. This data set will be delivered by email.

**New Notary Public Database - \$300** (\*Annual subscription fee)

This data set consists of all notary transactions entered in the previous month. Note, that the data set contains all new notaries processed, as well as renewals, address changes, and other transactions entered during the previous month. This data set will be delivered by email to the email address provided.

\*Please note: The annual subscription expires one year from the date the request was made.
