Goals of the Regional Summit:

- Share information about the financial incentives, liability protections, technical and other assistance available for brownfields development from federal and state governments
- Promote best practice and lessons learned across New England
- Provide an opportunity to increase networking and information-sharing among key stakeholders

Summit Participants:

- State, tribal, and federal government brownfields and waste site cleanup programs
- Local, regional, and state economic development agencies
- Real estate developers, financial institutions, and legal firms
- Planning and economic development consulting firms
- Local governments
- Job training grantees
- Environmental professionals

The two-day regional summit will include plenary and break-out sessions and an exhibit area. There will be ample time during the breaks for networking and viewing the exhibits.

Consider enhancing the visibility of your organization by sponsoring or exhibiting at the sSummit. For more information, contact Jennifer Griffith at jgriffith@newmoa.org or (617) 367-8558, ext. 303
