DONSIS, LLC

: JANUARY 10, 2006

FINAL DECISION

Donsis, LLC has submitted an application for a water discharge permit in connection with a proposed sewage treatment and disposal system to serve its residential development in Stamford. Following a hearing, the parties submitted an agreed draft decision, which was supplemented and adopted by the hearing officer in her Proposed Final Decision. This proposed decision also recommends that I issue the permit, a draft of which is appended to that decision as Attachment I.

I affirm the Proposed Final Decision and order issuance of this permit.
