

Update on Greenhouse Gas Regulatory Amendment

April Desclos

January 11, 2011

CT and EPA Processing

- **LRRC**

- DEP submitted a request to LRRC for early consideration of our proposed GHG amendment to help ensure that we meet our March 1 SIP submittal deadline
- LRRC approved our request and will consider our proposal during its January 25 meeting

- **EPA**

- On January 6, EPA proposed an approval of our SIP revision based on the version of the amendment submitted to the LRRC
- Once our GHG amendment has been adopted and we formally submit our SIP revision, EPA will finalize its approval
