2013 Title V Fee Summary

June 5, 2014

Rick Rodrigue, Engineering and Technical Services Group
SIPRAC

Connecticut Department of Energy and Environmental Protection

General Overview

- Title V of the Federal Clean Air Act (CAA) and the associated federal rules require states to establish annual fees based on emissions.
- The total fees collected must be sufficient to cover the full cost of developing and administering the Title V program requirements.
- The process for assessing emission fees is specified in §22a-174-26 of the Regulations of Connecticut State Agencies (RCSA).

Facts and Figures for 2013 Title V Fees

- Inventory Stabilization Factor (ISF)
 - If unadjusted by the DEEP Commissioner it would be 12.9
 - As reduced by Commissioner Klee it became 5.01
- Total of 67 sites are receiving Title V emission fee invoices for 2013.
- In response to our payees continued requests for more time, we once again sent the invoices out even sooner this year..... May 19th, 2014.
- 2013 Emissions Fees are due by July 1st, 2014
