SIPRAC

Connecticut Department of Energy and Environmental Protection

Purpose

- Three Goals
 - More impactful meetings for members
 - Establish a process for greater member participation in setting agendas
 - Increase efficiency

Basic Framework

- Establish a meeting development committee
 - Rotating committee of 4-6 advisors representing each sector of stakeholders & regulators
 - Four meetings per year
- Reformat meetings to focus on two areas
 - Agency communications-- as normal
 - Education/Outreach
- Possible additional end of year meeting?
- Establish ad-hoc conference calls for more timely information. As needed only.

Efficiency Opportunities

- Increase collaboration opportunities with stakeholders
- Utilize technology better
 - Webinars (no more last minute cancellations)
 - Email system upgrades (e.g., constant contact)

Future Scheduling

Recommend retaining 2nd Thursday schedule ...
