

Rockville Quadrangle Bedrock Outcrop and Near-Surface Occurrences Map

Rodger Colton

Map

Bedrock Outcrop and Near Surface Occurrences, Rockville Quadrangle, Connecticut - 1974

NOTICE !

This document contains unpublished maps, cross-sections, and related information archived by the State Geological and Natural History Survey of Connecticut as part of the Survey Library Collection.

These materials have not been reviewed for accuracy, consistency, or completeness. For many geographic areas, more current information exists, either in published or unpublished form.

For the most part, these materials were developed under research and mapping agreements between the State Geological Survey and individual scientists, academic institutions, or graduate students. Some of these materials have been received by the State Geological Survey as donations. The veracity of the information contained within these documents is the responsibility of the authorship. The State Geological and Natural History Survey of Connecticut, does not promote or endorse this content, nor does the State Survey attest as to its level of accuracy.

These materials have been preserved under a cooperative agreement between the State Geological Survey and the US Geological Survey as part of the National Geological and Geophysical Data Preservation Program. www.datapreservation.usgs.gov

These materials are offered in the spirit of open government. Reproduction of these manuscripts was conducted to the highest practical degree, within the parameters of the funding mechanism. Original documents are available for inspection by contacting the [Connecticut State Geologist](#).

Edge matched with MF 452B Nov. 1974

rock/m43
1974
Map 1

Approximate size and shape of bedrock outcrops. Includes some temporary outcrops.

Area where bedrock is inferred to be within 10 feet of the surface; may include small areas of thicker surficial deposits.

BEDROCK OUTCROP AND NEAR-SURFACE OCCURRENCES, ROCKVILLE QUADRANGLE
CONNECTICUT
BY
ROGER B. COLTON
1970

Mapped by Roger B. Colton 1969 and 1970; outcrops in part after manuscript maps of Janet M. Aitken (1951 and 1952)

Used in preparation of Geol. & Nat. Hist. Survey of Conn. Quad. Rept. No. 6, 1955, The bedrock geology of the Rockville quadrangle, by Janet M. Aitken

To be used with U.S. Geological Survey topographic map of the Rockville quadrangle, Connecticut
