

Peach Lake Quadrangle Carbonate Bedrock Map

Map

NOTICE !

Set of (18) 1:24,000 scale quadrangle compilation sheets delineating carbonate rocks of western Connecticut. Primary author Leo Hall, 1978, with contributions by Harwood 1971, for South Sandisfield Quad, and possibly other areas. Includes assortment of geologic data- geologic contacts, outcrops, and notes.

Regional compilation at 1:125,000 scale by Leo Hall 12/1977 & 12/1978, with some linework from Gates for the Sharon Quad.

This mapset contains unpublished maps, cross- sections, and related information archived by the State Geological and Natural History Survey of Connecticut as part of the Survey Library Collection.

These materials have not been reviewed for accuracy, consistency, or completeness. For many geographic areas, more current information exists, either in published or unpublished form.

-

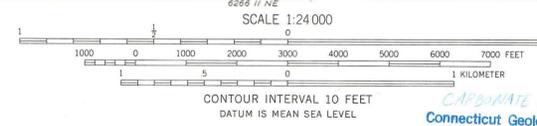

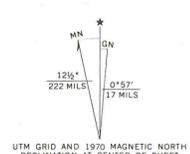

For the most part, these materials were developed under research and mapping agreements between the State Geological Survey and individual scientists, academic institutions, or graduate students. Some of these materials have been received by the State Geological Survey as donations. The veracity of the information contained within these documents is the responsibility of the authorship. The State Geological and Natural History Survey of Connecticut, does not promote or endorse this content, nor does the State Survey attest as to its level of accuracy.

These materials have been preserved under a cooperative agreement between the State Geological Survey and the US Geological Survey as part of the National Geological and Geophysical Data Preservation Program. www.datapreservation.usgs.gov

These materials are offered in the spirit of open government. Reproduction of these manuscripts was conducted to the highest practical degree, within the parameters of the funding mechanism. Original documents are available for inspection by contacting the [Connecticut State Geologist](#).

Mapped, edited, and published by the Geological Survey
Control by USGS, USC&GS, Westchester County Control Survey,
and Connecticut Geodetic Survey
Culture and drainage in part compiled from aerial photographs
taken 1941. Topography by planetable surveys 1943. Revised 1958
Polyconic projection. 1927 North American datum
10,000-foot grids based on New York coordinate system, east zone,
and Connecticut coordinate system
1000-meter Universal Transverse Mercator grid ticks,
zone 18, shown in blue
Fine red dashed lines indicate selected fence and field lines
visible on aerial photographs. This information is unchecked
Revisions shown in purple compiled in cooperation with
Connecticut Highway Department from aerial photographs
taken 1970. This information not field checked
