Attn: Housatonic River Natural Resources Restoration Project Trustees

To Whom It May Concern:

At this time, the Schaghticoke Tribal Nation would like to withdraw its proposal to the Schaghticoke Indian Reservation Car, Top Boat, Canoe and Kayak Access Ramp Grant. Due to the environmental conditions from flood waters along the Housatonic River, this specific ramp would not be an asset or beneficial to this area. We are therefore requesting that these proposed funds be applied to the Schaghticoke environmental grant for seeding, tree, etc.

If we can be of any further assistance to you, please make all inquiries through our Tribal Representative Charles Kilson at: cekemt731@earthlink.net. Thank You.

Respectfully,

Betty Kaladish
