Agenda

Pharmaceutical Stakeholders Group for the CT Department of Energy and Environmental Protection's Proposal to State-list Hazardous Pharmaceutical Waste as a Universal Waste

I. Introductions

II. Working Meeting for Members of the Pharmaceutical Stakeholders Group

III. Information to Pass Along

- Below are links to information related to and the Environmental Protection Agency Notice of Data Availability (NODA) for Hazardous Waste Management in the Retail Sector. EPA seeks comment on the existing data on the retail industry universe and amount of hazardous waste it generates, and suggestions for improving hazardous waste regulations for retail operations. The NODA also seeks information and hazardous waste data on the following: episodic generation, retail stores' programs for handling hazardous waste, hazardous waste training, aerosol cans, transportation and reverse logistics, and sustainability efforts.
