This is a paperless event!

FREE EVENT – Do Not Miss Out!!!!
DEEP Hazardous Waste Training
February 27th at Yale University's West
Campus in Orange, CT

To Whom It May Concern,

The Connecticut Department of Energy and Environmental Protection's ("DEEP") Waste Engineering and Enforcement Division hereby invites your company, as a RCRA generator, to attend an upcoming FREE training opportunity on February 27, 2014. The FREE training will be held from 1pm to 4pm at the Yale University West Campus located at 100 West Campus Drive in Orange Connecticut. For directions, please go to <http://westcampus.yale.edu/visit/driving-directions> or click on hyperlink [here](#).

This training is being provided for any employee involved in hazardous waste management activities at your Connecticut facility. There is no need to sign up in advance for this training, please arrive early and sign-in at the guard station. For those that sign-in and leave their email address, an electronic training certificate will be provided, which can be used to supplement a generator's training obligation under RCRA.

The training is a supplement to WEED's Hazardous Waste Advisory Committee ("HWAC") public forum which will be taking place in the morning of February 27th in the same place. You are invited to attend both, if possible, as the day long agenda is full of information sharing and training. See back side for meeting agenda. For more information on HWAC, please visit www.ct.gov/DEP/HWAC.

If you have any questions about this FREE training opportunity, please contact WEED's Compliance Assistance ("COMPASS") hotline at (888) 424-4193.

I look forward to meeting you on the 27th of February.

Sincerely,

Robert C. Isner, Director
Waste Engineering and Enforcement Division
Bureau of Materials Management and Compliance Assurance

REMEMBER TO REDUCE, REUSE, AND RECYCLE

It's a *first* step towards a more sustainable world and in Connecticut, it's the Law.
