Please email carey.hurlburt@ct.gov to register for a specific class

Resources Recovery Facility Sub Committee Proposal

- CT has 7 Resources Recovery Facilities
- 6 MSW-to-Energy & 1 Tires-To-Energy
 - Wheelabrator, Covanta, CRRA/NAES & ReEnergy
- Department will organize a Kick-off Meeting – May, 2013
- Sub Committee would act as a Partnership with DEEP to discuss common issues:
 - Proper Disposal of Baghouse Filters
 - Scheduling more frequent clean-outs of the receiving pits
 - Transfer of excess MSW off the tipping floors - Out-of-State
 - How Source Reduction & Recycling efforts have affected RRFs
- Contact carey.hurlburt@ct.gov
