

Emerald Ash Borer is here in Connecticut

Discovered in Prospect
July 16, 2012 by staff
members of
the Connecticut
Agricultural Experiment
Station (CAES)

FIREWOOD ONLY

FROM **Non-Quarantined Area**
WITHIN **Connecticut**
EXCLUDING QUARANTINE

Required Documentation :
[Self-issued Certificate of Origin](#)

Confirmed EAB Sitings

FIREWOOD ONLY

FROM **State Quarantined Area**
WITHIN **Connecticut**

Required Documentation

1. Permit from CT Agricultural Experiment Station (To be posted)
Note: Any wood leaving New Haven County and leaving the state may require additional federal documentation.

Required Treatment (ONE of Following):

1. Removal of bark and additional ½ inch of wood;
2. Kiln sterilization treatment (Treatment T404-b-4);
3. Fumigation according to a treatment schedule (Treatment T404-b-4 MB); OR
4. Heat treatment (Treatment T314-a)
5. Wood chipped to less than one inch (1") in two (2) dimensions.

FIREWOOD ONLY

FROM State Quarantined Area (New Haven County)
WITHIN State Quarantined Area (New Haven County) ONLY
FIREWOOD ONLY

Required Documentation:
[Self-Issued Certificate of Origin](#)

New Haven County

Confirmed EAB Sitings

FIREWOOD ONLY

FROM Non-Quarantined Area
THROUGH State Quarantined Area (New Haven County)
WITHIN Connecticut

Required Documentation:

Waybill (or bill of lading) or self-issued certificate indicating points of origin and destination

Required Handling (ALL of Following):

1. If moved through quarantine area during period of October 1st through March 31st, and when the ambient air temperature is below 40° F, or during the period of April 1st through September 30th if articles are shipped in an enclosed vehicle or completely enclosed by a covering adequate to prevent access by EAB
2. Must be moved directly through the quarantined area without stopping (except for refueling or for traffic conditions)
3. Must not be combined or commingled with other articles so as to lose its individual identity.

FIREWOOD ONLY

FROM Non-Quarantined Area INTO Connecticut

See Section 22-84-5g (a) (2)

Required Documentation (ONE of Following):

1. Permit from Director of Agricultural Experiment Station
2. Treatment Certificate or Label from USDA qualified treatment facility
3. Certification from Canadian Authorities

Required Treatment:

(Treatment requirements for EAB and ALB as laid out in [USDA Plant Protection and Quarantine Treatment Manual](#) or otherwise approved by USDA – APHIS.)

Note: Worcester County, MA is partially quarantined for Asian Long-horned Beetle. For up to date map of quarantine, visit: [APHIS website](#).

FIREWOOD ONLY

FROM Federally Quarantined Area
INTO Connecticut

See Section 22-84-5g (a) (1) (i-iv)

Required Documentation (ONE of Following):

1. [Certificate](#) OR [Limited Permit](#) under [Compliance Agreement with APHIS](#)
2. Certificate OR Limited Permit issued by APHIS inspector

Required Treatment (ONE of Following):

1. Removal of bark and additional ½ inch of wood;
2. Kiln sterilization treatment (Treatment T404-b-4);
3. Fumigation according to a treatment schedule (Treatment T404-b-4 MB); OR
4. Heat treatment (Treatment T314-a)
5. Wood chipped to less than one inch (1") in two (2) dimensions.

Note: Worcester County, MA is partially quarantined for Asian Long-horned Beetle. For up to date map of quarantine, visit: [APHIS website](#)

FIREWOOD ONLY

FROM **Non-Quarantined Area**
THROUGH **Federally Quarantined Area**
INTO **Connecticut**

See Section 22-84-5g (a) (3)

Required Documentation:

1. Waybill indicating points of origin and destination

Required Handling (ALL of Following):

1. If moved through quarantine area during period of May 1 through August 31, or when the ambient air temperature is 40 F or higher, must be moved in an enclosed vehicle or is completely covered
2. Must be moved directly through the quarantined area without stopping (except for refueling or for traffic conditions)
3. Must not be combined or commingled with other articles so as to lose its individual identity.

Note: Worcester County, MA is partially quarantined for Asian Long-horned Beetle. For up to date map of quarantine, visit: [APHIS website](#).

What does this mean to Wood Recyclers and Resource Recovery Facilities?

State of Connecticut

REGULATION

Of

Connecticut Agricultural Experiment Station

Sections 22-84-5d, 22-84-5g.

What does this mean to?

"Regulated article" means any stage of Asian longhorned beetle or Emerald ash borer, or any living or dead plant material including nursery stock or wood products, or any means of conveyance that is infested or has the potential to be infested or may contribute to the spread of the Asian longhorned beetle or Emerald ash borer. "Regulated articles" include, but are not limited to:

What does this mean to?

- Raw wood products, including composted or uncomposted chips of *Fraxinus* spp. for Emerald ash borer quarantines, green lumber, cut logs, all firewood (hard-woods), and **wood debris of one-half inch or more in diameter;**

What does this mean to?

- **Best Practices**

- Do not move mixed loads of solid woody debris out of New Haven County
- Chip to less than one inch in two dimensions
- Do not leave ash cut up along side the road overnight
