Re: Filing Approved Water Quality Standards

Dear LEAD Division:

Pursuant to Conn. Gen. Stat. § 22a-426(b), I am filing with your office two copies of Connecticut's Water Quality Standards. A copy of a letter from the U.S. Environmental Protection Agency, approving these standards, is attached.

I thank you in advance for your office's assistance in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Amey Marrella".
