

PA 12-155 Workgroup 3 – Municipal options to address phosphorus reduction in receiving waters

January 14, 2014, 9:05 AM Meeting Notes

Attendees: Fred Andes (via polycom), Dennis Cuevas, Rowland Denny (Co-chair), Tim Dupuis, David Ignatowicz, Mike LeClaire, Steve Seigal, Dennis Setzko and Dennis Waz (Co-chair).

An updated list of contacts is attached.

Meeting notes from the December meeting: M/S to approve: Steve Seigal, Mike LeClaire. Motion passed.

Looking for cost per pound removed data. Fred Andes stated that he had Assabett River data he would share.

Dennis Setzko said he would share the 90% cost estimate for Warwick.

Fred Andes said he would share the Assabett River, Florida and Chesapeake data he has.

Tim Dupuis said he would share the Bristol, CT and Mass. POTW cost data he has.

Rowland Denny said he would share the Charles River data he has from EPA, track down remaining Mass POTW contact numbers, send out the revised contact list, get the updated questionnaire out to everyone and that the Heufelder information is all on septic systems.

Fred Andes mentioned Illinois reports on TN and TP treatment that he would share. He also stated that the courts upheld EPAs nutrient standards for Florida.

The questionnaire was discussed. We are looking to get data to be able to graph \$/lb TP removed vs flow for each performance level.

What does Cytec have for a TP limit? 0.10 mg/l.

Who's going to do analysis of the reports? Most likely, Rowland will be tasked with this work. He will likely have help from two interns starting in February.

The Coordinating Committee may be meeting February 10, 2014 at DEEP Headquarters at 1:00 PM in the Phoenix Auditorium. The workgroup is welcome to attend.

Our next meeting will be Tuesday, February 11<sup>th</sup> from 9:00 AM to 11:00 AM in conference room 2B at DEEP headquarters. Future meetings will continue on the second Tuesday of the month from 9:00 AM to 11:00 AM.

M/S to approve adjourning at 9:50 AM: Steve Seigal, Tim Dupuis. Motion passed.

If you have any questions, please contact Rowland Denny at 860-424-3749 or [rowland.denny@ct.gov](mailto:rowland.denny@ct.gov).
