

WILDLIFE REHABILITATOR ANNUAL REPORT FORM NON-MIGRATORY BIRDS (NON-NATIVE)

Name of Rehabilitator: _____ Reporting Year: _____

If you are not federally authorized to work with birds native to Connecticut, you must complete the Native Bird Form for any species not listed on this report form.

Species	Total #	# Hit by Car	# Attacked by Cats	# Attacked by Dogs	# Released	# Died	# Euthanized	# Transferred*
House Sparrow								
European Starling								
Pigeons								
Wild Turkey								
Ruffed Grouse								
American Woodcock								
Ring-necked Pheasant								
Monk Parakeet **								

* A Transfer Form must be submitted if any non-migratory birds have been transferred.

** Monk Parakeets may not be released into the wild or kept as a pet in Connecticut. The only option is placement with nature center, zoo or with private individual in a state allowing them to be kept as pets.
