Youth Recovery Support	Much brainstorming and discussion including need to review the Turning Point CT website for additional ideas. From last meeting: Identified several youth groups: DCF Youth Advisory Board, CROSS, CCOH outreach, Turning point, SURGE, Newport Academy are meeting at CCOH meetings monthly, AA has youth groups. CCAR is putting on youth recovery coach academy in August at UCONN.	Possible next steps: 1. develop a statewide network of youth recovery organizations/groups 2. Assist the RBHAO’s to develop regional youth resource guides 3. Use the current RFC’s for starting points for “Youth Recovery Friendly Communities” and adjust the current checklist/rubric accordingly. From last meeting: 1. ASSET mapping youth recovery resources. Check on status of Turning point’s effort to do this. 2. Do youth recovery conference: end of June 2020, designed/driven by youth.
