**LESSONS LEARNED**  
This is a major change process at the agency/program level that requires continual focus to make and sustain progress.  
Not a linear process; sometimes there are steps backwards before moving forward.  
CEO and administrative leadership are essential to the process.

**FEEDBACK**  
"Allow for ongoing consultation for sustainability."  
"It's a work in progress. We are moving in a positive direction."  
"We tripled our COD groups & strengthened our COD intensive outpatient program."
