| Participants in Attendance | <p>Present: J. Stonger, C. Meredith, I. Gillespie, A. Chin, M. Grossman, K. Granatek, S. Lang, S. Wolfe, R. Allen, N. Turner, A. Harris, S. Newgass,</p> <p>Present by phone: B. Brex, D. Tobin , M. Painter, R. Marriot, A. Fulton, S. Logan, S. Rao</p> <p>Guests: J. Ungemack, D. Grodzki, C. Kwiat</p> | |
| TOPIC | DISCUSSION | ACTIONS / DECISIONS |
| Welcome, Introductions & Recap: | <p>Introductions:</p> <ul style="list-style-type: none"> Review minutes from last month meeting | <ul style="list-style-type: none"> Approved |
| Presentation | <p>SAMHSA Partnership for Success Grant Update</p> <ul style="list-style-type: none"> See available PowerPoint presentation Discussed intersect with DPH grant; local prevention councils, & other activity. ADPC is the primary body to coordinate the various activities. J. Ungemack provided update from UCONN, as interagency epidemiology and outcomes work group. PFS evaluation, Center for Prevention & Statistics. SEOW. SEOW: Identify, collect, and share data, ID high risk groups, disparity issues, evaluate progress and outcomes of initiatives make recommendations. Look at community assets, gaps in services, assess readiness for implementation of EBPs, and identify duplicative efforts within and across agencies. SEOW will be gathering data from variety of social problems served by prevention/public health issues. This committee charge is very relevant. Coordination of data: partnering with CT Data Collaborative to have repository for public access data. Anticipated availability of substance use prevention data in a year. Ability to gather data from a variety of entities, there can be interagency data sharing challenges. Nalaxone data collection workgroup that has met once. There is no uniform collection process. | <ul style="list-style-type: none"> DPH may become repository of Naloxone data, discussions occurring presently. Consider official recommendation from this sub-committee for specific repository and uniform set of data collection for Naloxone. Check with DPH about this. Inform SEOW group of types of data that exists. Send email to J. Ungemack with data to be aware of. This sub-c is advisory body to this project. Quarterly updates will occur. Include plan in next update. |
| Discussion on: Expanding Subcommittee Membership | <p>J. Stonger shared about phone call with DMHAS/DCF and the 3 sub-committee chairs, to discuss communication across the committees and how/when to ad recommendations:</p> <ul style="list-style-type: none"> Communication across the 3 sub-committees, satisfactory process in place. How/when to add additional recommendations: this committee determined that there are several active recommendations, focus on these recommendations at this time. Reviewed focus of this committee. | <ul style="list-style-type: none"> Additional recommendations can be brought forth by members. If belong to another charge, will share with other sub-committee, as appropriate. |

| | | |
|---|--|--|
| <p>Update on Recommendations</p> | <p>This update will be brought forth to ADPC on 4/18/17:</p> <ul style="list-style-type: none"> • Core competencies for education of health care providers: • D. Tobin is working with CORE to plan face-to-face Scope of Pain trainings statewide (6-7) within next 4-5 months. Working with DCP to invite prescribers of high risk target group populations. Target population is prescribers. Will ask CT State Medical Society to advertise. May supplement or replace some with Webinars. • DrugfreeCT.org Website review: revisions have been made, content and appearance have been updated. • Increased use of EBPs: promoting National Take Back Day, today's presentation. • Develop comprehensive strategy for public messaging: current activity includes prevention conference May 15th, National Prevention week of 5/15, quilting project continues in CT, Working Women panel well attended, CT OD prevention summit was held, DMHAS received grant to develop opioid prevention effort, which will include staff. • Support the integration of the PMP with EHRs: letter was sent, response smaller than anticipated. CCMC currently in testing phase of pilot. • Physicians not aware that PAs can check PMPs. | <ul style="list-style-type: none"> • Dates will be shared when scheduled, policy makers/others can attend. • Members will help with advertising for attendance when information becomes available. • J. Stonger will share revised website upon receipt of all feedback. • J. Stonger to share materials for feedback in advance of dissemination. |
| <p>Other Updates</p> | <p>Other/updates:</p> <ul style="list-style-type: none"> • Naloxone availability: Dept. of Education reports ongoing discussion on this. • CCAR ED Peer Recovery Pilot: moving forward, all MOUs in place • Potential future topics/presentations: | |
| <p>Wrap-up & Next Steps</p> | <p>Summary:</p> <ul style="list-style-type: none"> • The meeting was adjourned at 3:00PM. • MAY meeting is cancelled due to Prevention week/conference. • The next full ADPC meeting is scheduled for June 20, 2017 from 10:00AM-12PM, location TBD. | |
