Introductions	New co-chairs and new members were introduced.	Will add Julie Revaz from CSSD to the list.
Review of Sub-Committee Charter	Revised charter was reviewed.	New charter to be distributed at next full Council meeting.
Continued discussion of longer-term recommendations related to Recovery Management.	<p>Areas of continued exploration: “community re-entry” from correction facilities; possible “re-entry roundtables” Expansion of use of recovery coaches to detoxes, ED’s, jails and other correction facilities Expansion of community “Recovery Centers” Possibility of Housing 1st and Supportive Housing embracing “harm reduction” and SBIRT as a path towards treatment?? Ines discussed the “Impact” grant and suggested tying in recommendations that could be addressed through that grant. Sub-committee members agreed that targeting adolescents in recovery would be a good focus for our group. Deb Dettor suggested that we promote the concept of Recovery Capital and tie our future recommendations for adolescents in recovery to helping them build recovery capital. 1/13: Problems with transitions/lack of continuity of care; need for more individualized care coordination. 2/10: The impact of recovery and MAT on employers 3/9: Insurance company reimbursement for recovery support including recovery housing</p>	The proposed sober house legislation will be the focus of the next meeting
