Meeting of Thursday, August 15, 2016
AIDS –CT, Hartford, CT
1:00 p.m. – 2:30 p.m.

PRESENT: Co-Chairs: Debbie Henault (DOC), Shawn Lang (AIDS – CT); Members Present: Deb Dettor (CCAR); Deb Polun (Community Health Centers Association); Susan Wolfe (DMHAS); Dr. Tek (Cornell Scott); Staff Present: Lauren Siembab (DMHAS)

Topic	Discussion	Action
Follow-up and Review of strategies that were presented to ADPC on 8/9.	It was clear at the full Council meeting that some of our workgroup recommendations overlapped with those of other committees, particularly the Prevention, Screening and Brief Intervention Committee. We will await the results of the Committee members' voting and adjust our goals accordingly.	Continue to discuss this subcommittee's next action steps based on Councils' ranking and sub-committee assignments.
	Follow-up on specific recommendation to "Reduce stigma and discrimination of people in recovery".	The "Language of Recovery" document was distributed to the full Council and a recommendation made for the Council to adopt it as a possible guidance document.
Continued discussion of longer-term recommendations related to Recovery Management.	Areas of continued exploration: "community re-entry" from correction facilities; possible "re-entry roundtables" Expansion of use of recovery coaches to detoxes, ED's, jails and other correction facilities Expansion of community "Recovery Centers" Possibility of Housing 1 st and Supportive Housing embracing "harm reduction" and SBIRT as a path towards treatment?? Data collection related to naloxone use for overdose reversals by 1 st responders	Continued discussion needed and specific action steps identified.
Next Sub-Committee Meeting		Monday September 26th , 2:00-3:30 pm, AIDS-CT, Hartford
Next scheduled meeting of the ADPC		Tuesday, September 13th, 10:00-12:00.
