Provider Alert No. 1

Issued On 07/16/2014

Long Term Residential Substance Abuse Treatment Providers (SA III.3) - Change in Procedure Codes

EFFECTIVE DATE: October 1, 2014

This alert is to inform you of a change in the allowable procedure codes that may be utilized by existing providers to bill for long-term residential substance abuse services that will become effective for all dates of service on or after 10/1/2014.

BHRP is currently in the process of re-credentialing all clinical recovery support providers. For the new contract period beginning 10/1/2014, existing providers of the SA III.3 level of care will be credentialed and contracted for either SA III.1 (Transitional Care/Halfway House) or SA III.3 (Long-Term Residential Treatment) or SA III.5 (Intermediate /Long Term Residential Treatment).

Beginning with dates of service 10/1/2014, Providers should submit claims using the following procedure codes that will correspond to their contracted level of care:

- SA III.1 - H2034 - *Alcohol and/or drug halfway house services, per diem*
- SA III.3 - H0019 - *Behavioral health, long-term residential treatment*
- SA III.5 - T2033 - *Residential care, not otherwise specified, per diem*

Advanced Behavioral Health, Inc. will be issuing new authorizations for dates of services 10/1/2014 and after reflecting the new level of care authorized. These changes pertain to only those services currently authorized as SA III.3.
