THE HILL TOP CONNECTION

June 28, 2019

Department of Mental Health and Addiction Services

Dear Colleagues-

As announced earlier this month by Commissioner Delphin-Rittmon, I will be retiring from my position as CEO on July 1st. In my 31 years with DMHAS (formerly DMH), I have been honored and privileged to serve the Mission of the Department in addressing the mental health and addiction recovery needs of the individuals who seek our services. At the same time, I have been inspired by your daily dedication and commitment to both improving the lives of the individuals we serve and also supporting and collaborating with one another in achieving that goal. Working together we have created a community committed to the common goal of making a difference in individuals lives as they embrace their recovery from the challenges presented by mental illness and/or addiction. I am honored to have been part of this important work with you, I wish each and every one of you all the best in the future and I thank you for your hard work and commitment to the individuals served by our CVH community.

Sincerely,

Helene M. Vartelas
Chief Executive Officer
