

Safety Education And Training Catalog

For DMHAS State Operated Employees

July 2019 - June 2020

CT Department of Mental Health and Addiction Services

Office of the Commissioner, Division of Safety Services

Safety Education and Training Unit

Division of Safety Services
Safety Education and Training Unit

Dear Colleagues,

The Safety Education and Training Unit (SETU) is pleased to present the FY20 Annual Safety Education and Training Catalog. These courses meet training regulations established by federal, state, DMHAS policy, The Joint Commission, and the New England Healthcare Union District 1199 Contract. All of the courses offered are aligned with our mission to “promote safety, health and wellness in the DMHAS community”. All classes listed in this catalog include the class Offering Number and are also listed on line via the Saba Learning Management System. As always, feel free to contact me for any matter pertaining to the courses.

Sincerely,

Arlene Garcia

Arlene Garcia, LCSW, EdD

Course Descriptions

Collaborative Safety Strategies – New (3 Days)

(Audience – Direct care staff, new employees or anyone required by their facility)

This course, offered once a month, teaches direct care staff how to prevent angry Patient/Client behavior from escalating to physically dangerous behavior. Staff also learn how to safely intervene to manage assaultive/aggressive behaviors and avoid or escape potentially dangerous situations in the workplace. The goal is to reduce the rate and severity of injuries.

Collaborative Safety Strategies – Inpatient Review (5.50 Hours)

(Audience – Inpatient direct care staff or anyone required by their facility)

This course provides a comprehensive review of the knowledge and skills taught in CSS New with the focus on the inpatient environment. Staff also review the application of mechanical restraints or seclusion to protect from harm.

Collaborative Safety Strategies – Outpatient New (2.50 Hours)

(Audience – Outpatient direct care staff)

This module is conducted during the 3 day CSS New Employee course, on day 3, and teaches direct care staff who work in the outpatient and community setting how to avoid and escape potentially dangerous situations to reduce the risk of becoming a victim of crime.

Collaborative Safety Strategies – Outpatient Review (5.25 Hours)

(Audience – Outpatient direct care staff)

This course provides a comprehensive review of the knowledge and skills taught in CSS New with the focus on the Outpatient environment. Staff also review safe practices in the outpatient/community settings and how to avoid and escape potentially dangerous situations to reduce the risk of becoming a victim.

Collaborative Safety Strategies New for Professional Students (7 Hours)

(Audience – Professional students)

Professional students are taught DMHAS approved interventions for preventing behavior from escalating to physically dangerous behavior and should physically dangerous behavior occur, how to safely intervene to reduce the rate and severity of injuries. Course is available in review format.

CPR for the Professional Rescuer w/AED Challenge (3.50 Hours)

(Audience – DMHAS police personnel and lifeguards)

This ARC program includes the CPR skills for adult, child, infant, and the use of the AED. Included are First Aid skills in a challenge format.

New Employee Orientation Program (2.75 Hours)

(Audience – All new DMHAS employees)

This new employee orientation program covers the required topics for safety for all new employees in DMHAS. Topics include: Ergonomics Awareness, Hazardous Communication, Fire Safety and Workplace Violence Prevention.

Restraint and Seclusion Application Training New (2.50 Hours)

(Audience – Inpatient direct care staff & outpatient staff working inpatient overtime)

The focus of this program will be on the prevention of injury or death from restraint use. Participants will learn and demonstrate the application of restraints in accordance to manufactures guidelines and DMHAS policies

Safety Measures for Support Staff (2 Hours)

(Audience – Non-clinical staff, e.g., housekeeping, clerical, maintenance, etc.)

Non-clinical support staff will learn how to recognize potentially unsafe behavior, when to alert clinical staff, and use basic safety measures during patient contact..

Standard First Aid/AED – New (6 Hours)

(Audience – Direct care staff, new employees or anyone required by their facility)

This American Red Cross certification class combines the skills taught in Adult CPR, AED and First Aid. It provides a competency skill check of the knowledge and skills needed to assess and provide emergency care in response to respiratory and cardiac emergencies for adult victims and first aid emergencies.

Standard First Aid/AED – Challenge (2 Hours)

(Audience – Direct care staff, new employees or anyone required by their facility)

This American Red Cross certification class provides a competency skill check of the knowledge and skills needed to assess and provide emergency care in response to respiratory and cardiac emergencies for adult victims and first aid emergencies.

Take Charge (2 Hours)

(Audience – Outpatient staff, Clients living in the community)

This program is designed to provide participants information which will assist in protecting yourself and your property and reduce the potential that you will become a victim of crime.
