

Women's Specialty Programs

The listings in this brochure are *Women's Specialty Programs (WSP)*. All services are tailored to meet the specific needs of women by providing an experience that is trauma responsive and gender informed. Treatment incorporates evidence based practices and evolves to meet the current needs of women in care.

Additionally, the programs will provide directly or referrals to:

- Individual and/or Group Therapy
- Medication Assisted Treatment
- Peer Supports/Recovery Coaching
- Reproductive Health Education
- Mental Health Evaluations
- Parenting Skill Development
- Case Management Services
- Employment Readiness Skills
