I attest that this crop plan is truthful and an accurate representation of my farm's production area. I understand it is my responsibility to maintain an updated crop plan with the Connecticut Department of Agriculture and provide a copy to each farmers' market my farm participates in. I understand a current crop plan is required for valid participation in the Farmers' Market Nutrition Program and certified farmers' markets. Failure to maintain a current crop plan may result in dismissal from the program. I understand any Connecticut Grown farm products (as defined by CGS Sec. 22-6r (7)) not grown by myself and brought to a certified Connecticut farmers' market shall be labeled accordingly per CGS Sec 22-38.
