Fostering Independence in support of the principals of self-determination

Since 1999, Sunset Shores has worked with families in the disbursement and management of individualized support payment services to providers. Our driving force is our ongoing commitment to a personalized, quality relationship with consumers and families throughout Connecticut.

Sunset Shores is located in Stratford, CT. Our mission is to enhance community participation, promote cultural diversity as well as health and social well-being in our service delivery to consumers. We have offered day services to older adults since 1989, and to individuals with intellectual disabilities since 1995 through the Harborview/Next Step day program.

Sunset Shores FI Services has served over 4100 consumers/families and processed payroll for 7000+ of their workers in self-directed services. Our FI Team distinguishes ourselves in providing support in a caring and professional manner.

You can depend on our FI Team to effectively and efficiently manage your self-directed payroll and assist with your budget. You are in control. As your agent, we are there to serve and support you as you make choices to enhance your quality of life.
