STATUTORY FORMULA GRANTS

INTRODUCTION

This publication provides recommended grant estimates for FY 2011-12 and 2012-13, as well as actual grant payments for FY 2010-11, for certain ongoing grant programs under which the State of Connecticut's payments to municipalities are determined by statutory formulas.

Grantees include cities, towns, boroughs and regional school districts that receive education program funding directly from the state. Due to rounding and the exclusion of data for certain lesser taxing districts, the sum of the amounts in some columns does not reflect the total of the approved funding. Grantee-specific estimates are not available for programs listed under *Additional Grants* (descriptions of which begin on page 5). For each of these programs, the total amount expended in FY 2010-11 and the total amount available or recommended for expenditure in FY 2011-12 and 2012-13 appears on page E-33.

In the Grant Program Summaries section, **lower-case boldfaced text indicates proposed legislation that could, if enacted, make a significant change(s) to the program referenced.** *Throughout this publication, lower-case italicized type reflects text with added emphasis.*

Please direct questions concerning grant programs to the appropriate agency. Staff from the Department of Education's Finance and Internal Operations (860-713-6455) answers questions concerning all education program grants and provides periodic updates of data for education grants under the Grants Management directory on the agency's web site (www.sde.ct.gov). Department of Transportation staff (860-594-2675) answers questions concerning the Town Aid Road Grant. The Department of Public Health (860-509-7703) is the contact for questions concerning the School-based Health Clinic grant program and the Department of Social Services (860-424-5842) is responsible for Child Day Care Grants. For questions regarding any other program in this publication, contact the Office of Policy and Management's Intergovernmental Affairs Unit (860-418-6313).

Note – CGS §12-62 governs real property revaluation requirements for Connecticut towns. A town's failure to implement a revaluation in accordance with statutory requirements could result in the imposition of a penalty equal to the forfeiture of 50% of its Mashantucket Pequot and Mohegan Grant and the loss of the amount otherwise allocable under the Local Capital Improvement Program (LoCIP). The Secretary of the Office of Policy and Management may waive the penalty for a reason set forth in CGS §12-62(d).

GRANT PROGRAM SUMMARIES

The grant estimates on pages E-14 through E-33 are for the programs described below.
Audit adjustments or the receipt of more current data can significantly impact actual payments.

1. STATE-OWNED REAL PROPERTY PAYMENT-IN-LIEU OF TAXES (PILOT)

The Office of Policy and Management administers this PILOT program pursuant to CGS §12-19a, §12-19b, §12-19c, §4b-39 and §32-666. This program provides payments for real property tax losses due to exemptions applicable to state-owned real property, certain real property that is the subject of a state lease or long-term financing contract, municipally-owned airports and certain land held in trust by the federal government.

Payments in FY 2010-2011 relate to exemptions on the 2008 Grand List; FY 2011-2012 and FY 2012-2013 payments are for exemptions on the 2009 and 2010 Grand Lists.

A property's use and the amount of state-owned real property in a town determine PILOT percentages, which are:

- (1) 100% for state prison facilities used for purposes of incarceration in the prior fiscal year, that portion of the John Dempsey Hospital used as a permanent medical ward for prisoners, the Connecticut Juvenile Training School, land designated under the 1983 settlement boundary and taken into trust by the federal government for the Mashantucket Pequot Tribal Nation on or after June 8, 1999, and all state-owned property in a town in which the State of Connecticut owns more than 50% of the property within the town's boundaries;
- (2) 65% for the Connecticut Valley Hospital; and
- (3) 45% for all other state-owned real property, certain real property leased by the state as described in §4b-39, and municipally-owned airports.

A grantee's payment in any year may reflect a modification due to an audit of an amount previously paid. During each fiscal year, there is a transfer of moneys from the Bradley Airport Enterprise Fund in the amount necessary to pay a portion of the PILOT for certain Bradley International Airport property. There is also a proportionate reduction of PILOT totals to the amount of the appropriation in any year in which funding is insufficient.

Grantees receive PILOT payments on or before September 30th.

2. PRIVATE COLLEGES AND GENERAL AND FREE STANDING CHRONIC DISEASE HOSPITALS PILOT

The Office of Policy and Management administers this PILOT program pursuant to CGS §12-19b(b), §12-20a and §12-20b. This program provides payments for real property tax losses due to exemptions applicable to eligible private colleges and general and free standing chronic disease hospitals. Payments in FY 2010-2011 relate to exemptions on the 2008 Grand List; FY 2011-12 and FY 2012-13 payments are for exemptions on the 2009 and 2010 Grand Lists.

The calculation of the PILOT for towns and certain fire districts reflects 77% of their tax losses for the appropriate grand list. Exceptions to this calculation include the campuses of the Connecticut Healthcare Systems located in Newington and West Haven and owned by the United States Department of Veterans' Affairs. Additionally, CGS §12-20b and §12-19b specify the following payments: \$100,000 for the Connecticut Hospice in Branford; \$1,000,000 for the United States Coast Guard Academy in New London; and \$60,000 for the state-owned forest in Voluntown.

A grantee's payment in any year may reflect a modification due an audit of an amount previously paid. There is also a proportionate reduction of PILOT totals to the amount of the appropriation in any year in which funding is insufficient.

A total of \$115.4 million is available for this PILOT program in FY2010-11. The same amount is recommended for each year of the upcoming biennium.

Grantees receive PILOT payments on or before September 30th.

3. MASHANTUCKET PEQUOT AND MOHEGAN FUND GRANT

The Office of Policy and Management administers this program under which payments from the proceeds of the Mashantucket Pequot and Mohegan Fund are determined pursuant to CGS §3-55i, §3-55j, and §3-55k, and Section 96 of Public Act 06-187, which is not codified but remains in effect.

For FY 2010-11 nearly \$61.8 million in funding is available. The same amount is available for grants payable in FY 2011-12 and FY 2012-13.

There is an allocation to the statutory amount cited for each formula, calculations for which are:

- (1) \$20 million on the basis of the PILOT for State-owned Real Property – the amount for each town is calculated at one-third of the difference between what the town receives as a PILOT (excluding prior year adjustments), and what it would have received if the PILOT program had been funded at \$85,205,085. After required minimum payments are reflected, town-specific amounts are prorated to \$20 million;
- (2) \$20.1 million on the basis of the PILOT for Private Colleges and General and Free Standing Chronic Disease Hospitals – the percent of each town’s PILOT (excluding prior year adjustments) to the total PILOT for all towns is calculated and the result is multiplied by the \$20,123,916 allocated for this portion of the formula;
- (3) \$35 million on the basis of CGS §3-55j(e) – a modification of the Property Tax Relief Fund formula in CGS §7-528;
- (4) \$5.475 million allocated to certain designated municipalities on the basis of said Property Tax Relief Fund formula; and
- (5) An additional \$47.5 million for all towns, distributed pro rata on the basis of each town’s grant determined under (1) through (4) above, to the total of all such grants, pursuant to CGS §3-55j(j).

Regardless of the formulas described in (1) through (4) above, the amounts allocated to 28 towns are specifically set forth in CGS §3-55j(g). In addition, Ledyard, Montville, North Stonington, Norwich and Preston each receive an additional \$750,000, annually.

In FY 2010-11, 21 towns receive a proportionate share of an additional \$1.6 million. These towns are members of the Southeastern Connecticut Council of Governments, or Distressed Municipalities that are members of either the Northeastern Connecticut Council of Governments or the Windham Region Council of Governments. This is also recommended for each year of the upcoming biennium.

A town’s grant is its total formula-derived amount reduced proportionately to the program’s annual appropriation, although the additional amounts payable to the towns described in the preceding paragraph are not subject to this provision. Pursuant to CGS §22a-27j, a town’s first grant payment in any year may reflect a deduction of up to \$4,000 if the town has failed to make required payments to the Environmental Quality Fund. The estimates shown in this publication *do not* reflect these deductions, nor do they separately reflect that portion of the grant based on the PILOT formulas described above in (1) and (2) that certain towns must share with an eligible special services district located within their boundaries.

Grantees receive payments in three installments on or before January 1, April 1 and June 30th.

4. TOWN AID ROAD FUND GRANT

The Department of Transportation administers the Town Aid Road Fund grant pursuant to CGS §13a-175a through §13a-175e, inclusive, and §13a-175i. Towns and boroughs use these grants for various purposes, including the construction and maintenance of public highways, roads and bridges. Grant calculations depend upon factors that include population data and the number of a municipality’s improved and unimproved road miles. There is an allocation to the amounts the statutes specify for each formula calculation. Additionally, there is a proportionate reduction of grant totals, as calculated, to the appropriation.

A total of \$30.0 million is available for this grant program in FY2010-2011. The same amount is recommended for each year of the upcoming biennium.

Municipalities receive 50% of this grant in July and the balance in January.

5. LOCAL CAPITAL IMPROVEMENT PROGRAM (LoCIP)

LoCIP grants are administered pursuant to CGS §7-535 through §7-538. The Office of Policy and Management must approve LoCIP projects; eligibility parameters are described in CGS §7-536.

Towns and boroughs must request reimbursement for an approved project within 7 years of its approval date, although there may be a waiver of this provision under appropriate terms and conditions. Reimbursement cannot exceed the total of a grantee's unused entitlement. This includes the formula-generated amount for the current fiscal year (which is available on March 1) and the unused portion of all previous entitlements.

A total of \$30.0 million is available for this grant program in FY2010-2011. The same amount is recommended for each year of the upcoming biennium.

Grantees receive payments after they certify the completion of an approved project (or a portion of an approved project) and following the allotment of funds from state bond proceeds.

6. PUBLIC SCHOOL TRANSPORTATION

The Department of Education administers the Public School Transportation grant pursuant to CGS §10-54, §10-66ee, §10-97, §10-158a, §10-266m, §10-273a and §10-277. Percentages used to reimburse local districts for public school transportation expenditures depend on local wealth, based on the ranking of each district's Adjusted Equalized Net Grand List Per Capita (AENGLC).

The wealthiest 17 towns are assigned a reimbursement percentage of zero; the remaining districts are each assigned a reimbursement percentage that is more than zero and equal to or less than 60. Secondary and K-12 regional districts receive a 10 percentage point bonus. No local or regional board of education may receive an entitlement of less than \$1,000. There is a proportionate reduction of grant totals, as calculated, to the amount of the appropriation.

In FY 2010-11, \$28.6 million is available for this grant program. **Due to the state's projected budget deficit, the Governor is recommending a modest reduction in funding for this program for FY 2011-12 and FY 2012-13. The recommended reduction represents 10% of the FY 2010-11 program appropriation. The recommendation for FY 2012-13 also includes a \$1 million reduction in anticipation of reduced transportation costs based on the outcome of the Connecticut Regional Educational Service Center Alliance study in FY 2011-12.**

Since projected local expenditure estimates form the basis of the grant calculations for FY 2011-12 and FY 2012-13, actual revenue may vary significantly from the estimates shown based on the results of final expenditures as audited.

Grantees receive payments in April.

7. NON-PUBLIC SCHOOL TRANSPORTATION

The Department of Education administers the Non-public School Transportation grant pursuant to CGS §10-266m, §10-277 and §10-281. Percentages used to reimburse local districts for non-public school transportation expenditures are determined in the same manner as are the reimbursement percentages for the Public School Transportation Grant. Allowable transportation costs for non-public school children are capped at twice the per pupil public school transportation expenditure for the year prior to the expenditure year. There is a proportionate reduction of grant totals, as calculated, to the amount of the appropriation.

A total of \$3.99 million is available for this grant in FY 2010-11. **Due to the state's projected budget deficit, the Governor is recommending a modest reduction in funding for this program for FY 2011-12 and FY 2012-13. The recommended reduction represents 10% of the FY 2010-11 program appropriation.**

Since projected local expenditure estimates form the basis of the grant calculations for FY 2009-10 and FY 2010-11, actual revenue may vary significantly from the estimates shown based on the results of final expenditures as audited.

8. ADULT EDUCATION

The Adult Education grant is administered by the Department of Education pursuant to CGS §10-71 and §10-71a. Grants to reimburse adult education expenditures are determined on a sliding scale similar to that used in determining public and non-public

school transportation grants, except that the percentage range is 0% to 65%. Districts identified under CGS §10-266p(a) as Priority School Districts (i.e., those with the largest numbers or highest percentages of poor and remedial students) cannot receive a reimbursement percentage of less than 20. There is a proportionate reduction of grant totals, as calculated, to the amount of the appropriation.

For FY 2010-11, the annual appropriation for the Adult Education grant program is \$20.6 million. For FY 2011-12 and FY 2012-13, the recommended annual appropriation for the Adult Education grant program is \$20.6 million. Ninety-five percent of the annual appropriation is available for grants; 5% is set aside for administrative purposes. *Grant amounts for FY 2010-11, FY 2011-12 and FY 2012-13 reflect deductions for the Department of Education's administrative costs.*

Since projected local expenditure estimates form the basis of the grant calculations for FY 2009-10 and FY 2010-11, actual revenue may vary significantly from the estimates shown based on the results of final expenditures as audited.

Grantees receive 66% of this grant in August and the balance in May.

9. EDUCATION COST SHARING (ECS)

The Department of Education administers the ECS grant pursuant to CGS §10-262f, §10-262g, §10-262h, §10-262i and §10-262j. Section 72 of Public Act 09-3 of the June Special Session specifies the amount of each town's ECS entitlement for FY 2009-10 and FY 2010-11. The recommendation for FY 2011-12 and FY 2012-13 would maintain this level of entitlement.

The recommendation for the Minimum Budget Requirement (MBR) for FY 2011-12 and FY 2012-13 is to require that a town's budgeted appropriation for education is at least equal to the appropriation for education in FY 2010-11 plus the funding the district received through State Fiscal Stabilization Funds.

Any town that fails to meet its MBR is subject to a penalty equal to twice the amount of the funding shortfall. A non-compliant town's ECS grant for the next year must reflect the penalty deduction.

The Department of Education must withhold 20% of a town's increased aid if its school district is in at least the third year of being identified as "In Need of Improvement" under the No Child Left Behind law and has failed to make adequate yearly progress in mathematics or reading at the whole district level. The October payment to a town subject to this requirement reflects a reduction of 20% of the entire amount of the town's ECS increase, and its Superintendent must meet with the Commissioner of the Department of Education to discuss an acceptable plan to improve district academic achievement through the use of these funds. After the Commissioner approves the release of the funding withheld, the town receives these moneys via the Department of Education's monthly cash drawdown system. The town receives the remaining 80% of its ECS grant in accordance with the statutory payment schedule described below.

Grantees receive 25% of their payments in October, 25% in January and the balance in April.

ADDITIONAL GRANTS

The annual estimates for each of the grant programs described below appear on page E-33.

Grantee-specific estimates are not available for these programs.

PILOT: EXEMPT MACHINERY AND EQUIPMENT AND COMMERCIAL MOTOR VEHICLES

The PILOT the Office of Policy and Management calculates pursuant to CGS §12-94b equals 80% of the tax loss due to property tax exemptions municipalities provide for (1) certain machinery and equipment used in manufacturing, biotechnology or recycling, and (2) certain commercial motor vehicles. The 100% exemption under CGS §12-81(72) and (74) is available for acquisitions of eligible property that occur during the five-year period preceding an October 1 assessment date.

The Office of Policy and Management's PILOT calculation under CGS §12-94f equals 100% of the tax loss municipalities sustain due to property tax exemptions for certain manufacturing and biotechnology machinery and equipment, the acquisition of which occurs six or more years preceding an assessment date. Pursuant to CGS §12-94f, the FY 2010-11 PILOT is for the 80% exemption on the 2009 Grand List.

A municipality's payment in any year may reflect a modification due to an audit of an amount previously paid. There is also a proportionate reduction of PILOT totals to the amount of the appropriation in any year in which funding is insufficient, pursuant to CGS §12-94b, CGS §12-94f and CGS §12-94g, as amended by Sections 15 through 17 of Public Act 09-7 (September Special Session).

Grantees receive payments by the end of December.

Under the Governor's recommended budget adjustments, funding for this PILOT program is not available subsequent to FY 2011-12. Instead, municipalities will have the ability to apply personal property tax on commercial vehicles under CGS §12-81(74).

PILOT: VESSELS

In FY 2010-11, the Department of Motor Vehicles certified the PILOT for Vessels in an amount equal to each grantee's property tax receipts for boats on the 1978 Grand List - the last year in which boats were subject to property taxation. As a result, each eligible municipality's FY 2010-11 Vessels PILOT, pursuant to Section 21 of Public Act 09-8 (September Special Session), received a proportionate share of the \$1.9 million grant that was available.

Grantees receive payments by the end of December.

Under the Governor's recommended budget adjustments, funding for this PILOT program is not available subsequent to FY 2010-11. Instead, towns will have the ability to apply personal property tax to boats. This will provide an additional revenue source for the municipality.

CHILD DAY CARE

The Department of Social Services issues Child Day Care grants pursuant to CGS §8-210 in order to fund a portion of the costs needed to develop and operate licensed day care centers for children disadvantaged by reasons of economic, social or environmental conditions. Beginning July 1, 2011, the administration of the Child Day Care grants are being reallocated to the Department of Education.

A total of \$5.3 million is available for Child Day Care grants in FY 2010-11. \$5.4 million is recommended to be available each year of the upcoming biennium within the Department of Education's budget. It is recommended that additional funds will be added to equalize the funding for the transferred child day care slots to the current slot rate under the Department of Education's School Readiness program.

Grantees receive payments at various times, in accordance with contracts entered into with the Department of Social Services.

SCHOOL-BASED HEALTH CLINICS

The Department of Public Health distributes grants for school based health clinics pursuant to the powers under CGS §19a-2a. Funding supports the planning and operation of 75 School Based Health Clinics and 10 Expanded Sites. School-based health centers provide comprehensive primary health care (including medical, mental and oral health care) to enrolled students in communities that have large numbers of low income, high risk children and adolescents.

A total of \$10.4 million is available for this grant program in FY2010-11. The same amount is recommended for FY2011-12 and FY 2012-13.

The Commissioner of the Department of Public Health certifies payments at various times.

SPECIAL EDUCATION: EXCESS COSTS-STUDENT BASED

The Department of Education administers the Excess Costs-Student Based grant pursuant to CGS §10-76d, §10-76g and §10-253. Costs in excess of four and one-half times a town's average cost per pupil for the prior year are paid for students placed in a special education program by a school district, pursuant to CGS §10-76g(b).

For placements initiated by a state agency, a Superior Court or a federally recognized Native American tribe (rather than by a local school district), this program provides 100% reimbursement of costs in excess of the district's prior year Net Current Expenditure Per Pupil (NCEP), pursuant to CGS §10-76d(e)(3) and §10-76g(a)(1). For certain no-nexus students and special education students who reside on state property, 100% of the current year cost is covered, pursuant to CGS §10-76g(a)(1) and §10-76d(e)(3). There is no payment cap for students eligible for the 100% reimbursement described in this paragraph.

A total of \$139.8 million is available for this grant program in FY2010-11. The same amount is recommended for FY2011-12 and FY 2012-13.

Grantees receive 75% of their payments in February and the balance in May.

OPEN CHOICE GRANT

The Department of Education administers the OPEN Choice grant, pursuant to CGS §10-266aa to encourage inter-district attendance between the cities and suburbs. Both the sending and receiving districts equally share the credit for these students for those state grants that use resident students or average daily membership data. For each out-of-district student received under OPEN Choice, there is a grant of \$2,500. The state must provide grants for the reasonable cost of transportation for participating students in an amount such that the state-wide average of the grants does not exceed \$3,250 for each student transported. In addition, a total of \$500,000 is available for bonus grants of up to \$1,000 per student when there are at least 10 OPEN Choice students in the same school.

OPEN Choice inter-district school attendance between Hartford and other districts may include preschool programs in addition to all-day kindergarten. Grants are available for before- and after-school care and remedial services for preschool students, as well as, for subsidies to receiving districts.

A total of \$14.5 million is available for OPEN Choice in FY 2010-11. \$19.8 million and \$22.1 million are recommended to be available for FY 2011-12 and FY 2012-13 respectively.

Grantees receive a portion of their grant in November and the balance in April.

MAGNET SCHOOLS

The Department of Education provides grants for the operation of inter-district magnet schools pursuant to CGS §10-264I, as amended by Section 22 of Public Act 09-6 (September Special Session). In FY 2010-11, \$174.1 million is available for the Magnet School program. \$215.9 million and \$235.6 million are recommended to be available for FY 2011-12 and FY 2012-13 respectively.

Percentages of student enrollment determine per-student grants under a sliding scale formula. The determination of grant amounts depend upon factors such as a magnet school's resident and non-resident student counts and whether it is run by a Regional Educational Service Center (RESA), the town in which the school is located or another entity.

Greater per pupil grant amounts are available for inter-district magnet schools that assist Connecticut in meeting the goals of the 2008 stipulation and order for *Milo Sheff, et al. v. William A. O'Neill, et al*; supplemental operating grants may be available to entities that operate such a school.

The Department of Education's certification of payments varies, depending on the grant's purpose.

Operation portion – grantees receive 50% by September 1st and the balance by January 1st.

Transportation portion – grantees receive 50% in October and the balance in May.

YOUTH SERVICE BUREAUS

The Youth Service Bureau program that the Department of Education administers pursuant to CGS §10-19m through §10-19p, assists in the provision of comprehensive services to delinquent and troubled youth, including prevention and intervention programs, treatment and follow-up services.

This program’s appropriation is \$3.0 million for FY 2010-11. The same amount is recommended for FY 2011-12 and for FY 2012-13. Ninety-eight percent of the annual appropriation is available for grants; 2% is set aside for administrative purposes. The amount shown for FY 2010-11 reflects deductions for the Department of Education’s administrative costs. *Youth Service Bureau Grant estimates for FY 2011-12 and FY 2012-13 do not reflect such deductions.*

SCHOOL-BASED CHILD HEALTH

Pursuant to CGS §10-76d (a), the Department of Social Services remits grants to those local and regional boards of education that voluntarily determine the Medicaid eligibility of their special education students and furnish the information the agency needs to obtain federal reimbursement for certain services that eligible students receive (e.g., physical, occupational and speech therapies, mental health services, nursing and the provision of medical supplies and specialized transportation).

Eligible boards of education receive 50% of the amount of the federal reimbursement that the state obtains, based on the federal financial participation plan in effect on January 1, 2003.

In FY 2010-11, \$10.5 million is available for the School-Based Child Health program. \$11.8 million and \$12.0 million are recommended to be available for FY 2011-12 and FY 2012-13 respectively.

Estimates are preliminary projections that may change, depending on a resolution of issues raised by the Office of the Inspector General. Grantees must reimburse the state if they receive an amount in excess of that to which they are entitled.

Grantees receive payments at least quarterly.

PRIORITY SCHOOL DISTRICT PROGRAM

The Department of Education administers the four grants that comprise the Priority School District Program: those for Priority School Districts, Early Childhood (or School Readiness), Extended School Hours and School Year Accountability (or Summer School).

In FY 2010-11, \$117.2 million is available for the Priority School District program. \$112.6 million and \$112.1 are recommended to be available for FY 2011-12 and FY 2012-13 respectively.

The table shown below reflects appropriations for the components of the Priority School District Program. Descriptions of each grant follow.

Priority School District Program Grants	FY2008-09 In Millions	FY200 -10 In Millions	FY2010-11 In Millions
Priority School Districts	\$ 41.41	\$ 36.3	\$ 35.8
Early Childhood (School Readiness)	76.23	69.81	69.81
Extended School Hours	2.99	2.99	2.99
School Year Accountability (Summer School)	3.50	3.50	3.50
Total	\$124.13	\$112.6	\$ 112.1

PRIORITY SCHOOL DISTRICTS

Payments for Priority School Districts are determined pursuant to CGS §10-266p. Among the factors used to determine grant amounts are population, mastery test scores and the number of students receiving Temporary Family Assistance. Each Priority School District must receive a grant of at least \$150 per student. The town with the 6th highest population in the state also receives an additional \$650,000 per year.

There is also a distribution of supplemental funds in each fiscal year in proportion to each town's regular Priority School District grant. The supplemental grant total is \$4,160,122, commencing in FY 2008-09.

Grantees receive payments monthly.

EARLY CHILDHOOD (SCHOOL READINESS)

The purpose of the Early Childhood (School Readiness) grant is to initiate and expand pre-kindergarten programs. This grant is administered in accordance with CGS §10-16o through §10-16r, inclusive, and §10-266p.

The grant distribution formula is based on each district's School Readiness program capacity multiplied by its per child cost (which cannot exceed \$8,346 per child). Additionally, the use of available appropriations may fund grants for programs providing academic student support to assist in meeting the goals of the 2008 stipulation and order for *Milo Sheff, et al. v. William A. O'Neill, et al.*

Certain school districts that serve at least 40% of lunches free or at a reduced price are eligible for a separate grant. Non-priority school districts that are ranked between one and fifty, in descending order according to wealth are eligible to compete for this grant. *(Because of its competitive nature, funding for this grant is not reflected in this publication.)*

Grantees receive payments monthly for the non-competitive grants described above.

EXTENDED SCHOOL HOURS

The Extended School Hours grant, administered pursuant to CGS §10-266p, §10-266t and §10-266u, allows an expansion of the number of schools in Priority School Districts that can be kept open for academic enrichment and recreational programs after school hours, on Saturdays and during school vacations. Multiplying the appropriation by the ratio of each Priority School District's average daily membership to the total average daily membership of all such districts determines payment amounts.

Grantees receive payments monthly.

SCHOOL YEAR ACCOUNTABILITY (SUMMER SCHOOL)

The School Year Accountability (Summer School) grant, administered in accordance with CGS §10-265m and §10-266m, assists school children in Priority School Districts by allowing the provision of additional instruction to those students whose mastery test scores indicate it is needed.

Grantees receive payments monthly.

MUNICIPAL REVENUE DIVERSIFICATION

Proposed within the Governor's budget are several additional sources of revenues for municipalities including:

- An additional sales tax of 0.10% on products and services sold through retail establishments;
- An additional 1% tax on hotels;

Municipal Aid

- Making permanent the 0.25% municipal real estate conveyance tax and expansion of the current optional conveyance tax to all municipalities (bringing the total municipal rate from 0.11% to 0.5%);
- A personal property tax on boats (on 70% of the current value) in the state at a state-wide rate of 20 mills;
- A personal property tax on aircraft (on 70% of the current value) in the state at a state-wide rate of 20 mills;
- An additional 1% tax on car rentals; and
- A new 3% cabaret tax.

In total, these additional revenue sources for municipalities equate to \$85.2 million in FY 2012, rising to \$129.3 million in FY 2013. On the following pages, town-by-town estimates of the revenue generated by many of these proposals are presented. Please note these figures are strictly estimates based upon limited data and are for illustrative purposes only.

Municipal Aid

Estimates of Statutory Formula Grants for FY 2010-11, 2011-12 and 2012-13

*In addition, municipalities will also receive funds from a proposed 1% tax on car rentals estimated to raise \$1.6 million in both FY 2012 and FY 2013 and funds from a proposed 3% tax on cabaret establishments estimated to raise \$900,000 in both FY 2012 and FY 2013. Data to provide town-by-town figures for those items is not available.
