STATE OF CONNECTICUT

OFFICE OF POLICY AND MANAGEMENT OFFICE OF THE SECRETARY

January 23, 2012

Dannel P. Malloy Governor State of Connecticut 210 Capitol Avenue Hartford, CT 06106

Dear Governor Malloy:

On January 17, you asked me to prepare a management plan for your consideration that will use your statutory rescission authority to ensure a balanced budget based on GAAP in the current year. That plan is attached hereto.

In addition to these line-item rescissions, I am recommending the immediate implementation of additional controls over state hiring. Specifically, I suggest that for each requested hire, commissioners should provide OPM with a justification. My office will then review these requests and only authorize hiring that is related to public health or safety, will gain or **sustain revenue** which is greater than the cost of the position, or is absolutely necessary to ensure compliance with state statute, federal law, regulation or court order. The justification must also provide assurances that there are no alternative ways to carry out the function or satisfy the service need that the staff is intended to address. Approvals will be granted only where the hire or refill is clearly justified and funding, after rescissions, is available to to support anticipated position costs.

These rescissions are in addition to lapses that we are anticipating as part of our January 20th projections. We will ensure that each agency is aware of the need to maintain these lapses in order for the budget to remain in balance.

I believe that these actions will enable us to end FY 2012 in balance. Of course, we will continue to closely monitor revenues and expenditures and will make further recommendations as necessary to achieve that balance.

I sincerely hope that our revenues improve and we will be able to release these rescissions later this spring. As you know, the rescissions are administrative and may be undone through administrative action as revenues allow.

Truly Yours,

Ben Barnes
