

STATE OF CONNECTICUT

OFFICE OF POLICY AND MANAGEMENT

July 20, 2009

The Honorable Nancy Wyman
State Comptroller
55 Elm Street
Hartford, Connecticut 06106

Dear Comptroller Wyman:

The following information on the State's General Fund for fiscal year 2008-2009 is provided in accordance with Section 4-66 of the General Statutes. In addition, an analysis of the Special Transportation Fund is included due to the significant nature of this fund. Estimates are as of June 30, 2009. This letter reflects the passage of Public Acts 08-01 and 08-02 from the August Special Session, P.A. 08-01 from the November Special Session and P.A. 09-1, P.A. 09-2 and P.A. 09-111 of the 2009 Regular Session and P.A. 09-2 of the June Special Session.

The General Fund is now projected to end the year with a deficit of \$941.9 million, a modest decrease of \$25.7 million over last month. These figures are subject to change as certain revenue sources for the month of July are still being tallied for FY 2009.

This month's letter contains numerous changes to the revenue schedule which net to a positive \$24.5 million, the largest of which is Federal Grants which ended the year \$17.0 million higher than previously projected. We are also revising upward the Corporation Tax projection by \$15.0 million, to reflect the cumulative year-to-date positive variance.

In the General Fund, we are estimating that due to the Governor's four rescission programs, actions taken by the General Assembly and other surpluses available in select accounts, statewide lapses are estimated to reach \$450.0 million, assuming that \$20.0 million in carry forwards, including \$17 million in collective bargaining costs that require legislative approval will be eventually approved. The estimated statewide lapses are itemized in Statement 4 of the attached report.

Within the Transportation Fund, revenues have been revised downward by a total of \$3.1 million this month. Offsetting this reduction is an increase in identified lapses of \$3.0 million. For the fiscal year, revenues were below budgeted amounts by \$121.6 million, while expenditures were \$36.6 million less than budgeted. We estimate that the Special Transportation Fund will have a year end balance of \$96.1 million. In absence of a final budget, we have assumed that \$10.1 million will be carried forward for collective bargaining costs per past practice.

It should be noted that while these projections are the best that can be made at this time, and that some adjustments are expected in the year end closing process.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert L. Genuario".
