

STATE OF CONNECTICUT

OFFICE OF POLICY AND MANAGEMENT

July 20, 2010

The Honorable Nancy Wyman
State Comptroller
55 Elm Street
Hartford, Connecticut 06106

Dear Comptroller Wyman:

The following information on the State's General Fund for Fiscal Year 2009-2010 is provided in accordance with Section 4-66 of the General Statutes. In addition, an analysis of the Special Transportation Fund is included due to the significant nature of this fund. Expenditure and revenue estimates are as of June 30, 2010.

We are currently estimating a surplus of \$393.3 million in the General Fund. However, it should be noted that Public Act 10-179 requires that any general fund surplus in FY 2010 be transferred to FY 2011 to help balance the FY 2011 budget as well as to reduce the borrowing budgeted for FY 2011. The projected surplus represents an improvement of \$150.4 million over last month's letter. This change is primarily attributable to continued improvement in the state's revenue receipts coupled with a \$45.9 million increase in General Fund lapses, and an offsetting adjustment of \$4.2 million, primarily for refunds of escheated property. Although on a budgetary basis FY 2010 will conclude with a surplus, this would not have been the case were it not for the use of close to \$1.3 billion from the budget reserve fund, \$843.5 million in federal stimulus funding, \$129.5 million from the cancellation of a scheduled sales tax reduction, the deferral of a \$100 million contribution to the State Employees Retirement System (SERS), and deficit mitigation efforts. Even with the improving revenue picture outlined below, the budget for FY 2011 will still require borrowing approximately \$700 million to remain in balance.

Estimated General Fund revenue is being revised upward by \$108.7 million as several revenue sources continue to show marked improvement. The sales tax has been revised upward by \$38.9 million as it continues to exceed its monthly target. Refunds of taxes have improved by \$14.1 million as non-income tax refunds concluded the fiscal year below projections. Insurance companies revenue has also been revised upward by \$12.9 million as estimated payments were stronger than anticipated. Licenses, permits, and fees registered a strong finish to the fiscal year and have been revised upward by \$20 million, and federal grants concluded the fiscal year with a positive variance of \$9.8 million. All other revenue changes net to a positive \$13 million. It should be noted that several significant revenue sources are still being tallied through August 6th as part of the accrual process for FY 2010.

On the expenditure side, the passage of Public Act 10-179 together with Finance Advisory Committee action and the release of certain holdbacks have eliminated additional requirements within agencies, with the exception of the Commission on Children, which is anticipated to experience a deficiency of \$26,379 in its Personal Services account. Overall, total General Fund lapses are now estimated at \$560.7 million, which includes the \$100 million SERS payment deferral and \$59 million in gubernatorial rescissions. This lapse total represents an increase of \$45.9 million

over our June 20th estimate and more than \$87 million beyond the amount included in the FY 2010 budget as amended.

In the Special Transportation Fund, this month's letter reflects a \$5.2 million increase in the estimated June 30, 2010 fund balance. This change is based on an \$800,000 improvement on the expenditure side combined with a \$4.4 million improvement in projected revenues. The fund balance for FY 2010 is currently projected to be \$103.7 million.

It should be noted that while these projections are the best that can be made at this time, some adjustments are expected in the year end closing process.

Sincerely,

A handwritten signature in cursive script that reads "Brenda L. Sisco".

Brenda L. Sisco
Acting Secretary
