AN ORDINANCE AUTHORIZING THE ISSUANCE OF \$8,754,000 BONDS PLUS ADDITIONAL FINANCING COSTS OF THE CITY TO MEET CERTAIN 2015/2016, 2016/2017 AND 2017/2018 CAPITAL BUDGET APPROPRIATIONS, AND PENDING THE ISSUANCE THEREOF THE MAKING OF TEMPORARY BORROWINGS FOR SUCH PURPOSE

WHEREAS, the City Council of the City of West Haven (the “City”) has previously adopted the City’s 2015/2016 Capital Budget, as amended from time to time (the “2015/2016 Capital Budget”); and

WHEREAS, the City desires to finance a portion of the City’s 2015/2016 Capital Budget in an amount up to \$800,000 as shown on Exhibit A attached hereto; and

WHEREAS, the City Council of the City has previously adopted the City’s 2016/2017 Capital Budget, as amended from time to time (the “2016/2017 Capital Budget”); and

WHEREAS, the City desires to finance a portion of the City’s 2016/2017 Capital Budget in an amount up to \$800,000 as shown on Exhibit A attached hereto; and

WHEREAS, the City Council of the City has previously adopted the City’s 2017/2018 Capital Budget, as amended from time to time (the “2017/2018 Capital Budget”); and

WHEREAS, the City desires to finance a portion of the City’s 2017/2018 Capital Budget in an amount up to \$7,154,000 as shown on Exhibit A attached hereto; and

WHEREAS, the City Council has determined to authorize bonding for certain capital projects included in the 2015/2016 Capital Budget, the 2016/2017 Capital Budget and the 2017/2018 Capital Budget; and now therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WEST HAVEN:

Section 1. The sums set opposite the capital projects hereinafter listed in Exhibit A attached hereto (as may be more fully described in the narrative description of such improvements in the 2015/2016 Capital Budget, the 2016/2017 Capital Budget and the 2017/2018 Capital Budget of the City, hereafter the “Projects”) are hereby appropriated to meet the costs thereof or so much thereof as may be accomplished within said appropriation, and for architectural, design, engineering, hydraulic, site acquisition, development, demolition and disposal, environmental studies, surveying, infrastructure improvements, paving, material, utility charges, data systems, furniture and fixtures, equipment, testing, insurance, training, administrative, advertising, printing, legal, other consultant fees, and any appurtenances related to the Projects, as well as the cost of the establishment and maintenance of any reserve pursuant to Chapter 109, Chapter 117 and other chapters of the General Statutes of Connecticut, as amended (the “Connecticut Statutes”). Said appropriations to be inclusive of any and all Federal and State grants-in-aid thereof.

Section 2. To meet said appropriations, \$8,754,000 bonds or other obligations of the City (in the amounts set forth in Exhibit A attached hereto) plus an additional amount for all necessary and appropriate financing costs not in excess of three percent of the cost of the Projects, or so much thereof as may be necessary for said purpose (the “Bonds”), may be issued,

maturing not later than the twentieth year after their date, or such later date as may be allowed by law. The Bonds may be issued in one or more series as shall be determined by the Mayor, City Treasurer, and the Director of Finance (collectively, the "Bond Committee"), and the amount of Bonds of each series to be issued shall be fixed by a majority of the Bond Committee. The Bonds shall be issued in an amount up to the City's share of the cost of the Projects determined after considering the estimated amount of any State and Federal grants in aid for the Projects, or the actual amount thereof if such amount is ascertainable, and the anticipated times of receipt thereof, provided that the total amount of Bonds to be issued shall not be less than an amount which will provide funds sufficient, with other funds available for such purpose, to pay the principal of and the interest on all outstanding temporary borrowings issued in anticipation of the receipt of the proceeds of said Bonds, and any administrative, printing and legal costs of issuing the Bonds as determined by a majority of the Bond Committee. The Bonds shall be in the denomination of \$1,000 or a whole multiple thereof, be issued in bearer form or in fully registered form, be executed in the name and on behalf of the City by the manual or facsimile signatures of a majority of the Bond Committee, bear the City seal or a facsimile thereof, be certified by a bank or trust company designated by a majority of the Bond Committee, which bank or trust company may be designated the registrar and transfer agent, be payable at a bank or trust company designated by a majority of the Bond Committee and be approved as to their legality by the City's bond counsel. The Bonds shall bear such rate or rates of interest as shall be determined by a majority of the Bond Committee. The Bonds shall be general obligations of the City and shall comply with all requirements of law, including any debt limit, relating to the authorization or issuance of such Bonds. The Bonds may also be secured as to both principal and interest, to the extent permitted by law, by a pledge of certain revenues or benefit assessments or both. The aggregate principal amount of the Bonds, installments of principal, redemption provisions, if any, the date, time of issue and sale and other terms, details and particulars of such Bonds, including any repayment agreements or memoranda of understanding, or whether any of the Bonds will be issued as taxable bonds, shall be determined by a majority of the Bond Committee, in accordance with the requirements of the Connecticut Statutes.

Section 3. In connection with the issuance of any bonds or notes authorized herein (collectively, the "Obligations"), the City, as determined by a majority of the Bond Committee, may exercise any power delegated to municipalities pursuant to the Connecticut Statutes, including the authority to establish credit facilities and to enter into agreements managing interest rate risk. The City, as determined by a majority of the Bond Committee, shall have all appropriate powers under the Connecticut Statutes, including Chapter 748 (Registered Public Obligations Act), Chapter 173 (School Building Projects), Chapter 446k (Water Pollution Control) and Chapter 109 (Municipal Bond Issues), to issue, sell and deliver the Obligations and, further, shall have the full power and authority to do all that is required under the Internal Revenue Code of 1986, as amended, and other applicable laws and regulations of the United States, to provide for issuance of the Obligations in tax exempt form and to meet all requirements which are or may become necessary in and subsequent to the issuance and delivery of the Obligations in order that the interest on the Obligations be and remain exempt from Federal income taxes, including, without limitation, to covenant and agree to restriction on investment yield of bond proceeds, rebate of arbitrage earnings, and expenditure of proceeds within required time limitations. In order to meet the capital cash flow expenditure needs of the City, a majority of the Bond Committee is authorized to collectively allocate and reallocate expenditures incurred for the Projects to any bonds or notes of the City outstanding as of the date of such allocation, and the bonds or notes to which such expenditures have been allocated shall be deemed to have been issued for such purpose, including the bonds and notes herein authorized.

Section 4. Said Bonds shall be sold in a competitive offering or by negotiation as determined by a majority of the Bond Committee. If sold at competitive offering, the Bonds shall be sold by a majority of the Bond Committee at not less than par and accrued interest on the basis of the lowest net or true interest cost to the City, by sealed proposals, auction, or other comparative method. If the Bonds are sold by negotiation, the purchase contract shall be signed by a majority of the Bond Committee. With respect to the receipt of original issuance premium or bid premium upon the sale of the bonds or notes herein authorized, the City is authorized, but not required, to apply original issuance premium and bid premium, if applicable, to fund future debt service payments on the City's bonds and notes or to fund any purpose for which bonds of the City are authorized to be issued, and such application shall reduce the amount of authorized and unissued bonds for the purpose to which the premium was applied, in the amount so applied.

Section 5. Said Bonds may be secured by the City's property taxes, including interest, penalties and related charges, pursuant to Chapter 117 and other chapters of the Connecticut Statutes, and, if deemed necessary or appropriate and in the City's best interest by a majority of the Bond Committee, the Bond Committee, on behalf of the City, is hereby authorized: (i) to establish a property tax intercept procedure and a debt service payment fund pursuant to Chapter 117 of the Connecticut Statutes, §7-560 et seq., and other Chapters of the Connecticut Statutes, on such terms as a majority of the Bond Committee deem necessary or appropriate, and (ii) to take all further actions which a majority of the Bond Committee deem necessary or appropriate to so secure the Bonds or which are contemplated by law. A majority of the Bond Committee, if they determine it to be advisable, necessary or appropriate, is authorized, on behalf of the City, to enter into an indenture of trust and/or a supplemental indenture of trust to any existing indenture of the City (collectively, the "Indenture") with a bank or trust company located within or without the State of Connecticut (the "Trustee"), and to covenant: (i) if the Bonds are issued pursuant to such Indenture that all or a portion of the City's property taxes shall be paid to the Trustee and be held in trust for the benefit of the holders of the Bonds as provided in Chapter 117 and other Chapters of the Connecticut Statutes, and (ii) the terms on which any payments or reserves securing the payment of the Bonds will be paid, and the terms of any reserve or other fund for the benefit of the holders of the Bonds; and, in any event, to amend or supplement the Indenture containing such terms and conditions as a majority of the Bond Committee shall determine to be necessary or advisable and in the best interest of the City, the execution thereof to be conclusive evidence of such determination.

Section 6. The issue of the Obligations aforesaid and of all other bonds or notes of the City heretofore authorized but not yet issued, as of the effective date of this Ordinance, would not cause the indebtedness of the City to exceed any debt limit calculated in accordance with law.

Section 7. The City is authorized to make temporary borrowings in anticipation of the receipt of the proceeds of any series of said Bonds or any anticipated amounts of State and Federal grants in aid for the Projects. Notes evidencing such borrowings shall be signed by the manual or facsimile signatures of a majority of the Bond Committee, have the seal of the City or a facsimile thereof affixed, be payable at a bank or trust company designated by a majority of the Bond Committee, be certified by a bank or trust company designated by a majority of the Bond Committee, pursuant to Section 7-373 of the Connecticut Statutes, and be approved as to their legality by the City's bond counsel. Notes shall be sold in competitive offering or by negotiation as determined by a majority of the Bond Committee. If sold in a competitive offering, the notes shall be sold by a majority of the Bond Committee at not less than par and accrued interest on the basis of the lowest net or true interest cost to the City, by sealed proposals, auction or other comparative method. If the notes are sold by negotiation, the purchase contract shall be signed

by a majority of the Bond Committee. The notes shall be issued with maturity dates which comply with the provisions of the Connecticut Statutes that govern the issuance of such notes. The notes shall be general obligations of the City and shall comply with all requirements of law, including any debt limit, relating to the authorization or issuance of such notes. The net interest cost on such notes, including renewals thereof, and the expense of preparing, issuing and marketing them, to the extent paid from the proceeds of such renewals or said Bonds, shall be included as a cost of the Projects. Upon the sale of said Bonds the proceeds thereof, to the extent required, shall be applied forthwith to the payment of the principal of and the interest on any such temporary borrowings then outstanding or shall be deposited with a bank or trust company in trust for such purpose. The City is also authorized to issue notes in anticipation of the receipt of grants, if applicable, and a majority of the Bond Committee shall determine the terms and conditions of such issuance.

Section 8. (a) In the case of the capital project set forth in Exhibit A under the heading “Water Pollution Control Authority – Sewer Pump Station Upgrades” (the “Pump Station Project”), \$4,079,000 of interim funding obligations and project loan obligations or any other obligations of the City evidencing an obligation to repay any portion of the costs of the Pump Station Project determined by the State of Connecticut Department of Energy and Environmental Protection, Public Health or other department as applicable to be eligible for funding under Section 22a-475 et seq. of the Connecticut General Statutes, as the same may be amended from time to time (the “Clean Water Fund Program”) plus an additional amount for all necessary and appropriate financing costs not in excess of three percent of the cost of the Pump Station Project, or so much thereof as may be necessary for said purpose (the “Clean Water Fund Obligations”), may be issued, maturing not later than the twentieth year after their date, or such later date as may be allowed by law. The Clean Water Fund Obligations may be issued in one or more series as shall be determined by the Bond Committee, and the amount of Clean Water Fund Obligations of each series to be issued shall be fixed by a majority of the Bond Committee. The Clean Water Fund Obligations shall be issued in an amount up to the City’s share of the cost of the Pump Station Project determined after considering the estimated amount of any State and Federal grants in aid for the Pump Station Project, or the actual amount thereof if such amount is ascertainable, and the anticipated times of receipt thereof. The issuance of the Clean Water Fund Obligations and of all other bonds or notes of the City heretofore authorized but not yet issued, as of the effective date of this Ordinance, would not cause the indebtedness of the City to exceed any debt limit calculated in accordance with law. The Clean Water Fund Obligations shall be executed in the name and on behalf of the City by the manual or facsimile signatures of a majority of the Bond Committee, bear the City seal or a facsimile thereof. The Clean Water Fund Obligations may be general obligations of the City and shall comply with all requirements of law, including any debt limit, relating to the authorization or issuance of such Clean Water fund Obligations. The Clean Water Fund Obligations may also be secured as to both principal and interest, to the extent permitted by law, by a pledge of certain revenues or benefit assessments or both. The aggregate principal amount of the Clean Water Fund Obligations, installments of principal, redemption provisions, if any, the date, time of issue and sale and other terms, details and particulars of such Clean Water Fund Obligations, including the rate or rates of interest, any repayment agreements or memoranda of understanding, shall be determined by a majority of the Bond Committee, in accordance with the requirements of the Connecticut Statutes; and

(b) any combination of Obligations and Clean Water Fund Obligations for the Pump Station Project as set forth in the preceding Sections may be issued, provided that the total, aggregate principal amount thereof issued, and including the amount of any grant funding

obtained, shall not exceed \$4,079,000 plus an amount needed for necessary and appropriate financing costs related to the Pump Station Project.

Section 9. Resolution of Official Intent to Reimburse Expenditures with Borrowings. The City hereby expresses its official intent pursuant to §1.150-2 of the Federal Income Tax Regulations, Title 26 (the “Regulations”), to reimburse expenditures paid 60 days prior to and after the date of passage of this Ordinance in the maximum amount and for the Projects described above with the proceeds of bonds, notes, or other obligations authorized to be issued by the City. Such obligations shall be issued to reimburse such expenditures not later than 18 months after the later of the date of the expenditure or the substantial completion of the project, or such later date the Regulations may authorize. The City hereby certifies that the intention to reimburse as expressed herein is based upon its reasonable expectations as of this date. The Director of Finance or his designee is authorized to pay project expenses in accordance herewith pending the issuance of reimbursement obligations, and to amend this declaration.

Section 10. The Director of Finance is hereby authorized to exercise all powers conferred by section 3-20e of the Connecticut Statutes with respect to secondary market disclosure and to provide annual information and notices of material events as enumerated in Securities and Exchange Commission Exchange Act Rule 15c2-12, as amended, as may be necessary, appropriate or desirable to effect the sale of the bonds, notes or other obligations authorized by this Ordinance.

Section 11. The Mayor, the Director of Finance and any other duly authorized City, Board of Education or WPCA official is authorized to seek grants and other contributions for the costs of the Projects. Any such grants or contribution received prior to the issuance of any Obligations or Clean Water Fund Obligations authorized herein shall be applied to the costs of the Projects or to pay at maturity the principal of any outstanding bond anticipation note, grant anticipation note or other temporary obligation issued pursuant this Ordinance and shall reduce the amount of Obligations or Clean Water Fund Obligations that can be issued pursuant to this Ordinance. If such grants and contributions are received after the issuance of any Bonds or Clean Water Fund Obligations, they shall be applied to pay either non-financed portions of the Projects or debt service on the Bonds or Clean Water Fund Obligations provided such application does not adversely affect the tax exempt status of the Bonds or Clean Water Fund Obligations.

Section 12. This Ordinance shall be effective immediately upon the Mayor’s signature.

MEMORANDUM

Katherine Vecellio, President, West Haven Fire Department, West Shore Fire
Department and West Haven 911 Dispatchers, International Association of Firefighters
& UPPFA of CT, Local 5127

SUBJECT: MARB Rejection of Tentative Collective Bargaining Agreement

DATE: April 19, 2018

According to Section 367(b)(6) of Special Act 17-2, June Special Session, the Municipal Accountability Review Board (MARB) shall have the same opportunity and authority to approve or reject, on not more than two occasions, proposed collective bargaining agreements as is provided to legislative body of the municipality. At its meeting on April 5, 2018, the MARB, by a majority vote, rejected the tentative agreement between the City of West Haven and West Haven Fire Department, West Shore Fire Department and West Haven 911 Dispatchers, International Association of Firefighters & UPPFA of CT, Local 5127

While the MARB recognizes the efforts of the parties to address the severe financial and budgetary problems confronting the City, there was discussion by the MARB regarding the City's ability and willingness to pay for this agreement. A majority of the MARB members believed that the agreement, including the proposed wage increases, would exacerbate the City's already current and projected annual deficits, currently at \$9.0 million or more, thereby warranting rejection of the tentative agreement. The chart referenced at the April 5, 2018 meeting that outlines some key provisions of labor contracts that have, to date, come before the MARB is attached for reference.

Please contact me if you have any questions in this regard for me or the MARB. The MARB looks forward to working with the parties as this process proceeds.

Subject: MARB Committee Review of Proposed Budget; State Municipal Restructuring Funds

Dear Mayor Rossi, City Council President Quagliani and Superintendent Cavallaro:

The purpose of this letter is to discuss and follow-up on issues raised at the recent meetings of the Municipal Accountability Review Board's (MARB) West Haven committee. These issues include: the City's current fiscal year budget (FY2018) and the status of the previous year audit (FY2017); the Mayor's proposed budget for FY2019; and the status of the City's five-year recovery plan ("recovery plan") required to apply to the State Office of Policy and Management (OPM) for Municipal Restructuring Funds ("restructuring funds"). In addition, expectations with respect to OPM's awarding of the restructuring funds will be outlined below.

FY2018 City Budget; FY2017 Audit

The City's most recent projections for revenues and expenditures for the current year, made in March and based on year-to-date amounts through January 31, 2018, estimated a general fund deficit of almost \$8.1 million. This would be in addition to the \$1.3 million anticipated in the yet to be completed audit for FY2017. In regard to these matters, the committee requested the following items be submitted prior to the next full MARB meeting on May 3, 2018:

- 1) A schedule or information from the draft FY2017 audit indicating the causes of the projected \$1.3 million operating deficit. This will help in analyzing potential shortfalls or areas of concern in the FY2018 and FY2019 budgets. The completion of the audit will also be a critical component in OPM's and the MARB's evaluation of the City's restructuring funds application.
- 2) Updated projections for current FY2018 related to revenues and expenditures, utilizing year to date amounts through March 31, 2018. This, as we understand it, may also be required locally by your balanced budget ordinance.
- 3) The West Haven Public Schools should provide also updated projections for current FY2018 related to revenues and expenditures, including special education, utilizing year to date amounts through March 31, 2018.
- 4) An updated schedule from the City's Finance Department and financial advisor showing debt service payments and any bond premiums for Fiscal Year 2018, Fiscal Year 2019 and for the term of the existing bonds. This schedules should tie out to amounts projected for the current year, FY2018, the proposed budget for FY2019 and for each of the years of the recovery plan. These amounts should include the impact of any new issuances, including Bond Anticipation Notes (BANs). The City's financial advisor should also be asked to suggest any restructuring scenarios that might be feasible and appropriate given the City's declining debt service in the out years of the plan.
- 5) Detailed schedule(s) for the projections of health insurance costs for FY2018, FY2019 and for each year of the recovery plan, broken down for the City, Allingtown Fire, the Board of Education and the Sewer Fund. These projections should calculate the total costs of health coverage and the offsetting contributions by employees and other revenue sources in order to arrive at the employer's (i.e. the City's) cost. The assumptions used in making such projections, including health inflation, plan changes anticipated and others should be identified.

As I indicated at both the meeting of the Hartford MARB committee and at the West Haven committee meeting, it appears that OPM will receive more requests for restructuring funds for FY2018 than the \$27.2 million that is available. In addition, as indicated in the guidelines required by statute for the restructuring funds, priority will be given to municipalities whose plans include meaningful and achievable local actions when awarding funds. Therefore, the City is being requested to submit, prior to the May 3rd date noted above, for further review by the MARB and its West Haven committee, a detailed plan, containing specific amounts, action steps and dates, to reduce the current project deficit of approximately \$8.1 million as much as possible.

Mayor's Proposed Budget for FY2019

At its April 13th meeting, the West Haven MARB committee also again reviewed the Mayor's Proposed Budget for FY19. The information required above with respect to the FY2017 audit, updated FY2019 projections, debt service and health insurance projections and the plan to reduce the gap related to FY2018 will provide critical information that needs to be considered by both the City Council and the MARB when acting on the City's FY2018 budget and plans.

At its April 13th meeting, the MARB West Haven committee raised additional issues that will also have to be considered and addressed, as needed, in the adopted budget. These include:

- 1) The proposed budget increases the amount for current property taxes by \$800,000 above the March FY2018 projection despite a relatively flat grand list and a decrease in the assumed collection rate.
- 2) The proposed budget for State Education Cost Sharing (ECS) revenues does not appear to correctly handle the increase in FY 2019 ECS revenues. As an Alliance District, such increased amounts would be sent directly to the local Board of Education.
- 3) It will need to be determined if the contribution of \$1.1 million from the Sewer Fund reflected in the City's general fund budget has been adequately reflected in the Sewer Fund budget.

In addition, the Mayor's proposed budget fills in the City's structural gap with \$9.0 million in State restructuring funds. An issue in this regard is that the award of any amount of these funds depends on the submittal a Five-Year Recovery Plan which has not yet been submitted. In regard to the \$9.0 million assumed in the budget, the FY2019 budget should contain such actions as are necessary to limit the need for restructuring funds to \$6.0 million, or \$7.0 million provided that the budget makes adequate accommodation of the anticipated deficit for FY2017. In addition, as stated at committee meetings, the expectation is that the City's recovery plan, when submitted, will show a decreasing reliance on these recovery funds in future years.

Finally, in terms of MARB action on the City's FY2019 budget, it will be based on the following criteria outlined in the Board's adopted policies and procedures:

- a) The reasonableness of the assumptions utilized with respect to expenditures and revenues, including assumptions included in the recommended budget related to state revenues and property tax revenues and a mill rate;
- b) the overall balance and imbalance of expenditures and revenues;

- c) the achievability of efficiency measures included in the recommended budget;
- d) its impact on the municipality’s long-term liabilities and the municipality’s most current three-year financial plan; and
- e) any other issues or matters that would impact, in the MARB’s opinion, the municipality’s financial sustainability and vitality.

For planning purposes, the table at right shows a summary of recommended Municipal Restructuring and Contract Assistance payments for the two communities currently under MARB supervision. OPM will offer this distribution of the Municipal Restructuring funds to the MARB for their recommendation in May, 2018. These amounts are subject to change based on that recommendation, and are subject to all the requirements outlined in this letter.

Fiscal Sustainability

As was discussed at the MARB West Haven committee meetings, the City faces a significant ongoing gap that requires major structural changes in regard to property taxes and other revenues and in the major categories of costs. The City’s budgets and five-year recovery plan must reflect significant actions with respect to these structural changes. A number of the areas in need of reform have been discussed at meetings and reflected on committee agendas. As just one area, the committee and the Mayor have discussed moving forward expeditiously on hiring an independent benefits consultant to assist with analyzing needed changes in this regard. These structural changes will be a continuing focus of the committee and the MARB. As allowed by Public Act 17-2, the plan is to use a portion of the restructuring funds identified in the table above help implement needed changes.

Conclusion

The members of the MARB appreciate your assistance in regard to these matters and look forward to working together with the City to achieve short and long-term budget balance and fiscal stability for West Haven and its residents.

Sincerely,

April 24, 2018

Dear Mr. Dakers,

Please find the West Haven Board of Education's response to Secretary Barnes letter dated April 19, 2018. It includes an updated projection for FY2018, related to revenues and expenditures utilizing year to date amounts through March 30, 2018 for the Board and the detailed projection of health insurance costs. Lockton (name of company) assisted us with gathering that information.

Do not hesitate to contact me should you require further information or clarification;

Sincerely,

Neil C. Cavallaro

TO: All Employees

FROM: Matthew Cavallaro, Director of Finance

SUBJECT: Spending Freeze

Effective today, all spending is to cease and anyone who believes that they must make a purchase should receive prior approval from Superintendent Cavallaro, Dr. Druzolowski or myself.

Meetings, if necessary, may be set up by emailing Matthew.Cavallaro@whschools.org.

All vendors have been notified not to accept PO/orders unless they have been pre-approved.

There are no exceptions to this directive, other than grants, which the Grant Coordinators are responsible for spending. If you need a copy of your grant to see what is left to be spent, please email me.

Thank you in advance for your cooperation.
