PARKING INFORMATION

There should be ample parking available in both the front and rear lots. Both are accessed from Osgood Road, so attendees should be directed to turn onto Osgood and enter the parking lot from Osgood. I would recommend the front lot (which is situated at the corner of Osgood and Slater Roads and is accessed via the first entrance on Osgood) because the back parking lot is where the students park. From this lot, the school has two main entrances. Attendees should enter through the entrance that is closest to Osgood (the other entrance places you in front of the gym). If there are any special requirements, please contact Dr. Mary Moran, Acting School Principal. (i.e. special parking arrangements or someone who needs access to the elevator).
