SUBJECT: Teachers Mortgage Assistance Program

This is the third year of a new program available to certain Connecticut certified public school teachers. Section 8-265pp of the General Statutes established a Teachers Mortgage Assistance Program for **certified public school teachers who are employed by, and purchase a first-time home as their primary residence in, a priority or transitional school district. Section 57 of Public Act 01-173 amended the earlier public act to include in the program certified teachers who are employed by regional vocational-technical schools located in priority or transitional school districts. Additionally, the Program is available to certified public school teachers who hold the endorsement and teach in the 2004-2005 state-identified certification endorsement shortage areas.**

Certification Endorsements

- Bilingual Education, Pre-K-12
- Comprehensive Special Education, 1-12
- English, 7-12
- Mathematics, 7-12
- Music, Pre-K-12
- Science, 7-12
- Speech and Language Pathology
- Technology Education, Pre-K-12
- World Languages, 7-12

In the case of certified public school teachers employed by a priority or transitional school district or by a regional vocational-technical school in a priority or transitional school district, the dwelling must be located in that district. Teachers who hold the endorsement and teach in a state-identified certification endorsement shortage area will be able to purchase statewide.

This Teachers Mortgage Assistance Program is an important incentive to have educators live in the community in which they teach, as well as to address shortage area needs. The Program is administered by the Connecticut Housing Finance Authority (CHFA) through their participating lenders. The Program features a fixed rate, 30-year mortgage, with an interest rate currently set at 5.25% (APR 5.35%). The rate is subject to change weekly, but will not go higher than 6%. Downpayment assistance is also available. Eligible teachers must meet CHFA eligibility requirements, including income and sales price limits.

Questions concerning state-identified shortage areas may be directed to Fran Rabinowitz at (860) 713-6700 or Sarah Ellsworth at (860) 713-6872.

I am hopeful that this initiative is only the first of many that will help attract and retain quality teachers in Connecticut.

Thank you.
