

STATE OF CONNECTICUT

DEPARTMENT OF EDUCATION

Series 2013-2014
Circular Letter: C-1

TO: Superintendents of Schools
Principals of Schools

FROM: Stefan Pryor
Commissioner of Education

DATE: July 3, 2013

SUBJECT: Teacher Shortage Areas, 2013-14 School Year

Pursuant to Section 10-8b, of the Connecticut General Statutes (C.G.S), the following endorsement areas are designated as teacher shortage areas for the 2013-14 school year:

Certification Endorsements

- Bilingual Education, PK-12
- Comprehensive Special Education, K-12
- Hearing Impaired, PK-12
- Home Economics, PK-12
- Intermediate Administrator
- Remedial Reading and Language Arts, 1-12
- School Library and Media Specialist
- Speech and Language Pathologist
- Technology Education, PK-12
- World Languages, 7-12

The Connecticut State Department of Education (CSDE) also recognizes mathematics and science as shortage areas for 2013-14 based upon the federally identified high-needs fields in schools that serve low-income students.

Teachers who teach in one of the shortage areas can benefit from the following state programs:

Teachers' Mortgage Assistance Program

Section 8-265pp of the C.G.S. provides for a mortgage assistance program for the purchase of a principal residence for certified teachers who are:

1. employed by priority or transitional school districts;
2. employed by the State of Connecticut, in a technical high school that is located in a priority or transitional school district; or
3. teaching in a subject matter shortage area pursuant to Section 10-8b of the Connecticut General Statutes.

In the case of certified teachers teaching in a priority or transitional school district, or in a technical high school located in a priority or transitional school district, the dwelling must be located in the district in which the school is located.

The Teachers' Mortgage Assistance Program is an important incentive designed to alleviate shortage areas and to have educators live in the community in which they teach. The program is administered by the Connecticut Housing Finance Authority (CHFA) through its participating lenders.

All eligible teachers seeking a mortgage through this program will be required to have a Statement of Eligibility signed by the Superintendent of Schools in their district. Attached is the Statement of Eligibility that you may copy and distribute to eligible teachers. This signed Statement will be required by the mortgage lender for proof of eligibility.

Any questions or concerns regarding the Teachers' Mortgage Assistance Program may be directed to the Single Family Underwriting Unit at CHFA at 860-571-3502.

Rehiring of Retired Teachers

Retired teachers may be reemployed without being subject to the statutory earnings limit if they teach in a subject shortage area for the school year in which they are employed. The period of employment may last one full school year and may be extended for an additional year, subject to prior approval of the Teachers' Retirement Board. If you have questions about this program, please contact Darlene Perez at the Teachers' Retirement Board at 860-241-8402.

Federal Shortage Area Programs

Teachers holding certifications in the state-identified certification endorsement shortage areas may be eligible for:

- targeted teacher deferment for borrowers under the Family Federal Education Loan (FFEL) and Federal Supplemental Loans for Students (SLS) programs (34 CFR 682.210(q));
- cancellation of up to 100 percent of their debt under the Federal Perkins Loan Program for full-time teaching in fields of expertise (34 CFR 674.53(c));
- reduction of the teaching obligation for scholars under the Paul Douglas Teacher Scholarship Program (34 CFR 653.50(a)).

Additionally, teaching in a shortage area enables grant recipients under the Teacher Education Assistance for College and Higher Education (TEACH) Grant Program to fulfill their teaching obligations (34 CFR 686.12(d)).

Please refer Federal Stafford/SLS and Federal Perkins Loan borrowers who have general questions concerning their loan(s), including the teacher shortage area deferment, to the Federal Student Aid Hotline at 1-800-4FED-AID, and refer Douglas Scholars to the state agency that awarded the scholarship.

Connecticut Recruitment and Training Initiatives to Address Shortage Areas

The CSDE's Talent Office continues to implement strategic initiatives that attract qualified candidates to the education profession, especially in the shortage areas.

Among the talent initiatives approved by the State Board of Education are a variety of alternate route to certification programs which focus on recruiting and training educators for high needs teaching and administration areas. These programs vary from training educators for a first-time certificate to training certified educators for additional advanced certification endorsement areas of teaching, reading or administration. *A bachelor's degree or higher is a pre-requisite for these alternate route programs.* Candidates without a bachelor's degree refer to a [Guide to Approved Educator Preparation Programs in Connecticut](#).

Alternate Route to Certification Programs

First-Time Certificates:

- [Office of Higher Education Alternate Route Program \(ARC\)](#) prepares qualified candidates with strong content knowledge and experience for a first-time certificate in secondary content areas or PK-12 certification areas.
- [Teach for America - Connecticut](#) prepares candidates with strong content knowledge for a first-time certificate in elementary or secondary certification areas.
- [Charter Oak State College ECE ARC Program](#) prepares qualified candidates for a first-time endorsement in Integrated Early Childhood/Special Education, Birth – K (#112).

Cross-Endorsements:

- [ARCTELL](#) (ARC for Teachers of English Language Learners) prepares qualified candidates who already hold a teaching certificate for a cross-endorsement in Teaching English as a Second Language (TESOL) Grades PK-12 (#111) and Bilingual Education (#902-974).
- [ARCLMS](#) (ARC for Teachers to Become Library Media Specialists) prepares qualified candidates who already hold a teaching certificate for a cross-endorsement in School-Library Media Specialist (#062).
- [Alternate Route to Cross Endorsement in Special Education at CREC](#) prepares qualified candidates who already hold a teaching certificate for a cross-endorsement in Comprehensive Special Education K-12 (#165);
- [Albertus Magnus College Advanced Alternative Preparation \(AAP\) for Literacy Specialist \(Cross-Endorsement\)](#) prepares qualified candidates who already hold a teaching certificate for a cross-endorsement in Remedial Reading and Remedial Language Arts 1-12 (#102).

Administration Endorsement:

- [Achievement First Residency Program for School Leadership](#) prepares aspiring school leaders through a training and residency program for an initial Intermediate Administration and Supervision Endorsement #092.

Leadership Development Program

The CSDE supports the need to provide professional learning to develop leaders for the wide range of administrative positions at the school and district levels. The administrator shortage may be addressed through efforts that encourage teachers who hold an administrative certificate and have high potential to participate in training that further develops their leadership skills in order to assume school and district leadership positions. To that end, the CSDE is working with the Connecticut Center for School Change to develop and implement a new leadership program called **LEAD Connecticut**. This program is being designed by CSDE in collaboration with Connecticut Associations of Public School Superintendents (CAPSS), Connecticut Association of Boards of Education (CABE), Connecticut Association of Schools (CAS), and New Leaders. The program will recruit candidates current principals or aspiring principals for this new leadership development program.
