2016-17 Superintendents' ESSA Webinar Series

Timely information for an orderly transition to ESSA

A webinar series for superintendents, school leaders, and other interested stakeholders who want to learn more about the Every Student Succeeds Act (ESSA). ESSA reauthorizes the Elementary and Secondary Education Act (ESEA) of 1965, and replaces the No Child Left Behind Act (NCLB) of 2002.

Registration: Registration began in May 2016. One hundred seats are available on our new webinar platform. Openings are still available. To register, contact Jennifer.webb@ct.gov. In the subject line, write "ESSA Webinar Registration."

Recordings: You may view the slide deck or recording without registering for the live events. Archived after each session, webinars can be found at the Superintendent Digest page of the CSDE Web Site. The June 2016 webinar, "*ESSA Overview and the 2016 Regulatory Process*," is posted there.

Webinar Hosts and Topics:

- Hosted by Ellen Cohn, Deputy Commissioner, and Ajit Gopalakrishnan, Chief Performance Officer.
- Designed to educate and inform leaders about the ESSA components; mandated changes and available flexibilities the law provides to states and LEAs.
- As the transition unfolds, webinars will include information on the stakeholder engagement process, final federal regulations, timelines, and state plan requirements.
