Revised Guide for Planning Healthy Meals in CACFP Adult Day Care Centers

The Connecticut State Department of Education (CSDE) recently updated its guide on planning healthy meals for participants in CACFP adult day care centers. *Planning Healthy Meals for CACFP Adult Day Care Centers* provides information on healthy menu planning, the *Dietary Guidelines for Americans*, and food labels, with suggestions for improving the nutritional quality of CACFP meals. This guide is part of the CSDE's [Nutrition Policies and Guidance for CACFP Adult Day Care Centers](#).

The revised guide is dated August 2016, and replaces the previous version dated September 2011. Please discard any old versions.

*Planning Healthy Meals for CACFP Adult Day Care Centers* is available in the [Healthy Meals](#) section of the CSDE's Nutrition Policies and Guidance for the CACFP Web page.
