

2014-15 School High Needs Students Outperforming District

The High Needs group is comprised of students who are economically-disadvantaged, English learners, or students with disabilities. In the 83 schools listed below, High Needs student performance index is significantly higher than the district performance index in one or more content areas of the state assessment (i.e., English language arts/Literacy, Mathematics, Science). Note that both the High Needs group in the school and the All Students group in the district met the 95% participation rate requirement in the identified subject area(s).
