

Procurement Announcement for the Connecticut Adult Education Reporting System

(This procurement is being conducted under the auspices of the Connecticut State Department of Administrative Services, Procurement Services, [18PSX0210 Contract Award/Supplement and Participating Addendum](#))

Overview

The Connecticut State Department of Education (CSDE) is seeking to select a vendor to provide a secure, statewide, web-based adult education data management information, accountability and warehouse system fully implemented no later than July 1, 2020. The system must be user-friendly, adaptive and agile enough to respond to the reporting requirements under the Workforce Innovation and Opportunity Act (WIOA) of 2014, Title II, Adult Education and Family Literacy Act (AEFLA), and meet the data needs of local providers and the CSDE Adult Education Unit (AEU), including timely response to future changes particularly in federal reporting.

The system will:

- be an efficient, statewide adult education data and accountability management system for use by entities responsible for adult education;
- meet federal, state, and local reporting requirements, including timely response to future changes particularly in federal reporting;
- provide for quality, consistent and accessible information for state and local staff;
- be a user-friendly, efficient system for managing student records, generating reports and supporting program operations;
- improve productivity through automation of processes and procedures and the use of data validation tools when possible;
- increase data analysis and program evaluation processes through expanded user capabilities; and
- preserve access to historical data (especially Credit Diploma Program (CDP) and GED transcripts and GED scores) from all years prior to July 1, 2020.

Please see detailed [Statement of Work](#) for additional information about the cloud solution being requested.

How to Respond to this Procurement

Pursuant to the process established under the [18PSX0210 Contract Award Supplement and Participating Addendum](#), interested vendors should work through a [reseller who is approved under this contract award](#). For each vendor, the reseller must submit a detailed work plan/proposal that conforms to the [requirements outlined on pages 4 through 8 of the detailed Statement of Work](#). The selected vendor will also need to work with the CSDE to complete the [Cloud Questionnaire](#) that is required of DAS/BEST.

To be considered for this procurement, all work plans/proposals must be in PDF format and must be received from an approved reseller by Ajit Gopalakrishnan at ajit.gopalakrishnan@ct.gov no later than 5 p.m. on Monday, May 4, 2020.
