

LEA Responsibilities SEDAC Reports & Child Find

The LEA transition coordinator should receive regular reports from their SEDAC data manager that delineate the following:

1. All children with signed approval to include the LEA in transition planning
2. Notification of children over 2 ½ with no release or approval to include the LEA
3. Children under age 2 ½ with a signed consent to release information to the LEA
4. Children under age 2 ½ with no release or approval to include the LEA

1

Children With Signed Birth to Three Approval (Form 3-8) to Include LEA.

This is an official referral; start referral process immediately!

2

Notification of Children Over age 2 ½ with no Release or Approval to Include LEA.

LEA has immediate Child Find responsibility for these children.

3

Children Under age 2 ½ With Release of Information to LEA

Not a referral, however, Child Find responsibility applies.

4

Children Under age 2 ½ with no Release or Approval to Include LEA

Not a referral; no Child Find responsibility. Use data for planning purposes.
