

The parent requested this hearing on behalf of the Student who had been identified as being eligible for special education. A prehearing conference was held on June 29, 1999. The original hearing date of July 12, 1999 was postponed at the request of the parties until August 24, 1999. At the request of the parent, the hearing was then stayed to allow for possible settlement. On August 28 and on November 1, 1999, the hearing officer wrote to the parties, asking for confirmation that the matter had in fact been settled or submission of new agreed-upon hearing dates. The parties were advised that the matter would be dismissed without prejudice if no response were filed.

FINAL DECISION AND ORDER:

There having been no response, this matter is **dismissed without prejudice**.
