FINAL DECISION AND ORDER

The parties at the telephonic pre-hearing conference held on January 24, 2005 expressed a desire to resolve their disagreement through a Department-sponsored mediation process. An initial scheduling order was implemented which afforded the parties an opportunity to arrange that mediation. The Parents subsequently reported that the parties had reached an agreement resolving their dispute. The Parents then withdrew their request for a hearing in light of that agreement.

Accordingly, this matter is **DISMISSED**.
