FINAL DECISION

The prehearing in this matter was conducted on February 8, 2007. Both parties participated and a hearing date that the parties agreed upon was selected. The issues involved evaluation and a therapeutic day program. The hearing date allowed time for the parties to participate in mediation, which they did. They notified the hearing officer that they no longer needed a hearing but wanted time to draft the final agreement before they withdrew with prejudice.

FINAL DECISION AND ORDER:

The hearing is dismissed without prejudice.
