FINAL DECISION AND ORDER

ISSUES

- I. Whether the out of district placement district provides the child with a free and appropriate public education?

PROCEDURAL HISTORY

The parent requested a due process hearing. After some preliminary issues were resolved the parties continued to negotiate a settlement in the case. On July 10, 2007 the attorney for the Board of Education reports the parties believe they have reached an agreement in the matter. The date for final decision in the matter was extended by agreement of the parties and the agreement was entered on the record. The matter was settled prior to the final decision date of August 10, 2007

FINAL DECISION AND ORDER

1. The case is dismissed without prejudice.
