FINAL DECISION AND ORDER

By letter from Mr. Cohn dated September 4, 2007 (the "Request") to the Connecticut Department of Education due process unit ("CTDOE"), the Parents requested a due process hearing on behalf of the Student. The Parents are seeking an out-of-district placement at Coltsville for the 2007/2008 school year with transportation at Board expense, and compensatory education and reimbursement for "educational service expenses" for the 2005/2006 and 2006/2007 school years due to an "inappropriate free public education" provided the Student over those school years. The Request does not identify the date of the IEP team meeting at which these issues were raised.

The undersigned was appointed to this matter by the CTDOE by notice dated September 7, 2007. No sufficiency challenge was filed. The Board on September 20, 2007 submitted an answer dated September 19, 2007. The date for mailing the final decision and order would, in due course, have been November 16, 2007.

By agreement of the parties, a resolution meeting convened on September 21, 2007. On September 24, 2007, counsel for the Parents reported that at the resolution meeting the parties reached an agreement resolving this matter and that the Parents were withdrawing this matter with prejudice in light of that agreement.

Accordingly, this matter is hereby DISMISSED.
