- PRESS RELEASE -

ALL TOWN BALLOTS AVAILABLE

HARTFORD: Secretary of the State Denise Merrill announced that ballots in every town in Connecticut are now available for viewing online, giving the state's two-million registered voters an opportunity to get familiar with the general election ballots before November 8.

Secretary Merrill said, "With many offices on the ballot this year, a little preparation never hurts. I encourage voters to see who is running and to get comfortable with the ballots that they will be using on November 8."

Ballots are available here: <http://www.sots.ct.gov/sots/cwp/view.asp?a=3179&Q=586674&PM=1>

On Election Day, November 8, 2016, polls will be open from 6:00 a.m. until 8:00 p.m. for registered voters in Connecticut. Election Day registration is in effect, however, long lines are likely so voters are encouraged to arrive early. It is also important to note that Election Day registration is not available at polling places, but rather at a designated Election Day registration location in each town, beginning at 6 a.m. People utilizing this option will need to provide proof of identity *and* residency.

Voters can check their registration status online and find the location of their polling place by visiting myvote.ct.gov.
