Public Act 10-111, effective July 1, 2010, requires that Charter School professionals who meet Connecticut Teachers' Retirement System membership requirements and who are first employed by a Charter School on or after July 1, 2010 are required to participate in the Connecticut Teachers' Retirement System. Prior law allowed such participation but did not require it. Participation remains voluntary for those hired before July 1, 2010.

Let me know if you have any questions.
