Re: Public Act No. 16-91, Reemployment Provisions for Certain Eligible Employees of Alliance School Districts

Commencing July 1, 2016 to June 30, 2018, inclusive, Public Act No. 16-91, provides that the salary limitation for a reemployed teacher shall not apply for a teacher who:

- 1) Is receiving retirement benefits from the system based on 34 years or more of credited service,
- 2) Is reemployed as a teacher in a district designated as an alliance district pursuant to section 10-262u, and
- 3) Was serving as a teacher in that district on July 1, 2015.

The term teacher is defined by Connecticut statute CGS § 10-183b(26) and includes teachers, permanent substitute teachers, principals, assistant principals, supervisors, assistant superintendents and superintendents, among other groups. When the term teacher is used in this memo, it is intended to mean all of the groups contained in this statutory definition.

Please send a list of teachers hired under the above provision to me at Darlene.perez@ct.gov providing me with the dates of employment under this provisions, name, job assignment and certification held on or before September 1, 2016.

NOTE: We will be issuing guidance on the 45 percent reemployment rule, the subject shortage area/priority school district reemployment rule, and the pension suspension rule, on or before June 17, 2016.
