MAY 23, 2006 - EMAIL TRANSMISSION

TO: Business Managers and Transmittal Processors

June 30, 2006 is the last day of both the 2005-2006 school year and the State of Connecticut's fiscal year. Members may deliver Voluntary Account deposits to the Teachers' Retirement Board office on that day. These items must be received by 12:00 noon on June 30th so that TRB staff can deposit them into the bank and properly reflect them in the TRB and the State accounting systems in the 2005-2006 year, which means that they will receive interest on June 30, 2007. Items received after 12:00 noon on June 30, 2006 will be recorded in July, 2007 which means that they will not receive interest until June 30, 2008.

We recommend that members mail deposits along with a [Lump Sum Voluntary Payment form](#) (PDF 68KB) to CTRB, PO Box 30173, Hartford, CT 06150 well in advance of 12:00 noon on June 30, 2006.
